**DEDICATED TO SERVICEMEN.** Flag pole and U. S. flag were the subject of ceremonies Sunday afternoon at St. Mark's school, Sixth street and Broadway, Venice. At far left is Andy Sproi, bugler representing the national Amvets. Others, left to

right, are Dan McGee, Congressman Melvin Price and William Meehan. McGee and Meehan represented trustees of the parish and Cong. Price presented the flag, one which has flown over the Capitol in Washington.

## Townsend Chosen as 3rd Layman On Governing Board of Hospital

The election of C. E. Townsend, publisher of the Press-Record, to the Governing Board of St. Elizabeth Hospital was announced today.

He is the third layman to be placed on the seven-member board, top governing body of the hospital, which is currently completing a major addition to its facilities. The others are Lyle F. Gulley, president of Granite City Steel Co., and Dr. John Rendelman, chancellor of SIU-SW.

The remaining four board members are Sister Marie, Sister Lucia, Sister Mary Thomas and Sister Mary Paul. The hospital is owned by the Sisters of Divine Providence. Replaces Mother Mary William.

Members of the corporation elected Townsend to a board position formerly held by Mother Mary William.

Mother Mary William will assume duties in Rome as general counselor to the Community of the Sisters of Divine Providence.

The St. Elizabeth Hospital Governing Board will elect officers for 1970-71 at its Oct. 15 meeting.

**Drive Honorary Chairman** Townsend served as honorary chairman of the successful capital fund-raising drive conducted here in the late 1960s in connection with the planning of the new hospital wing. More than \$1 million was contributed by individuals, groups and business firms.

Associated with the Press-Record since September 1957, Townsend resides at 4000 Maryland Manor Court with his wife, Ruth.

He won local, state and national acclaim for successful efforts to rid this region of lawless elements in the 1940s and early 1950s, and this achieve-

ment then permitted increased time to be directed toward civic progress.

Emphasis also was devoted to business aspects of the Press-Record, which experienced substantial growth. He purchased the newspaper in the mid-1940s and remained its owner until this year, when it was acquired by the Post Corporation, Appleton, Wis.

**Serve on Public Agencies** Awards for community service have been presented by many Quad-City and national organizations and by the U. S. Army, and Townsend has been honored by four Illinois governors with appointments to non-salaried posts on such public agencies as the Missouri-Illinois Bi-State Commission, Illinois Traffic Study Commission, National Rivers and Harbors Commission and Bi-State Development Agency.

He is the only individual to have served as both a Bi-State Agency "founding father" and commissioner. One of the official signers for Illinois which

## Two Children Hurt in Area Traffic Mishaps

Two children were hurt in separate pedestrian accidents during the weekend. A total of 29 accidents was reported to Quad-City authorities, resulting in injuries to 14 persons.

Sally Hand, eight, daughter of Mr. and Mrs. Burl Hand, 2524 East 28th street, was injured when she ran into the right front of an auto driven by William Colp, 4001 Kirkpatrick Homes, at 4:15 p.m. Thursday in the 2500 block of East 77th street.

She was taken to St. Elizabeth Hospital with pains in the left thigh and minor abrasions and contusions to the knees and left elbow and was released following treatment.

Yolanda Wooten, five years old, 1130 Calhoun street, Venice, suffered a chin injury and headache when she ran behind a parked auto against a front fender of the westbound car of Vernell Hall, 1066 Logan street, Venice, at 6:30 p.m. Saturday in the 1100 block of Calhoun.

**Three-Vehicle Accident** Joseph Bohmstedt, 45, and his wife, Mrs. Mildred Bohmstedt, 47, of 2425 Ponton road, were injured when his auto was struck from behind by a truck driven by Robert Long, 1330 Edwardsville road, and shoved into the rear of an auto driven by James Dattoli, St. Louis, at 9:30 p.m. Thursday at 23rd street and Madison avenue.

Mrs. Bohmstedt, who complained of pains, was treated at St. Elizabeth Hospital and was released following x-rays of the skull and spine. Her husband complained of pains. Long was

## Flag Ceremony in Venice Salutes U. S. Servicemen

A new flag pole was dedicated yesterday afternoon at St. Mark's school, Venice, and an American flag earlier flown at the U. S. Capitol was raised.

Participants included Congressman Melvin Price, the Knights of Columbus fourth degree, Legionnaires, Amvets, U. S. Submarine Veterans of World War II and Andy Sproi of St. Louis, national Amvets bugler, who played "To the Colors."

Also taking part were Venice Mayor John E. Lee and Appellate Judge Joseph Goldenherst.

A bronze plaque in the concrete base of the flag pole has the inscription, "1970—in memory of our parishioners who have served our country in the armed forces. May we long remember that these few have done for so many."

Prayers were offered by Rev. Lawrence Mattingly, dean of the Alden deanery, and Rev. Terry Shea, St. Mark's pastor. The flag was accepted from Cong. Price by Dan McGee and William Meehan, church trustees.

**Study Voting Machines** Democratic committeemen, committeewomen and candidates will meet at 7:30 tonight at Edwardsville junior high school to study operation of the mechanical voting machines to be used Nov. 3 in Madison county. Republican party officials and candidates will receive similar training there at 7:30 p.m. Friday.

Mrs. Bohmstedt, who complained of pains, was treated at St. Elizabeth Hospital and was released following x-rays of the skull and spine. Her husband complained of pains. Long was

## Pollution Bonds Would Cut City Expenses, Avoid Fines--Klassen

"At present, more than 80% of the municipal sewage plants in Illinois are polluting our water by producing effluents that are not meeting water quality standards," Clarence W. Klassen, director of the Illinois Environmental Protection Agency, announced today.

Speaking at a meeting of nearly 300 municipal engineers of public works across the state, The Municipal League's annual convention currently is in progress at Springfield.

The bond issue, if passed, will provide the state with funds to financially assist municipalities and sanitary districts in the construction and upgrading of a sewage treatment facilities, Klassen said.

**Use More Federal Funds** The creation of this statewide assistance program will also increase the federal cost-sharing of such projects from the current maximum of 33% to 50% or 55% for all eligible projects, he explained.

This will mean that municipalities and sanitary districts, which are currently forced to shoulder up to 70% of the cost of such projects, will need to raise only 20% if they receive the maximum state and federal

## Venice Approves Key Role by UF Counseling Agencies in This Community

The city of Venice will extend its street lighting system this month under a resolution passed in regular council meeting Friday night. The plan provides for installing four new 6000 lumen incandescent lights.

The new lighting will be located in the rear of 111 Weber street, rear of 125 Ashbrook street, rear of 1509 Collinsville avenue, and the rear of 823 Broadway.

In another resolution, the council set aside \$20,000 in McKinley bridge funds for the Broadway underpass project. The amount is the final payment on \$100,000 pledged for payment over a five-year period to help finance the underpass.

Mayor John E. Lee presented a letter from Governor Ogilvie which said the state can do nothing about Bi-State Transit System cutting back service to the Illinois sector.

Alderman John Ervin, of the Third Ward, complained that Bi-State Transit not only is cutting back service in the Illinois area, but also is increasing fares.

Ervin questioned why Bi-State Transit had received funds from the federal government to provide better service to low income areas, and yet is cutting service to these areas.

Ervin said he has written letters to U. S. Senator Ralph Smith, Col. R. E. Smyser Jr. and Cong. Melvin Price.

**Inspect Sewers** An inspection of the city sewers, prior to letting bids for cleaning, has begun, it was reported.

High weeds along the fences of Phelps Dodge Corp. and methods of eliminating them are being studied, the council was told. Due to a double fence there is some difficulty getting to the weeds.

A drive has been launched to see that all Venice residents have purchased city auto stickers.

It was suggested the Secretary of State office be contacted to check auto registrations, against car owners who have purchased the city stickers. This would then enable the police to tell more accurately who has not bought the stickers, it was explained.

## Key Role by UF Counseling Agencies in This Community

The Family Service Agency save the family's happiness and protect our pockets from much larger attacks.

**Son in Difficulties:** Dick's father and mother don't get help in time, so he skips from home, lives with the gang and finds petty thievery and vandalism a way to vent his discontent.

**Impact on Taxpayers** When he's doing it, the taxpayer suffers loss. The taxpayer pays a big bill to the law enforcement agencies to catch him, and another big bill to administer the penalty.

Then, it can all start again and it's all to pay again, except that Coordinated Youth Services work on hundreds of cases of delinquency, job counseling, and young people on probation to get people like Dick back on the track.

With help, Dick won't have to go on venting his misery on you. He'll get a job and make something of himself.

So, contributions to the United Fund and selfless work by Coordinated Youth Services save kids' happiness and protect our pockets from much larger attacks.

**Abandoned Daughters:** Harriet is worse off than Tom and Dick. Her parents died, or skipped, or she was illegitimate and nobody wanted her.

So she was on her own as a charge to the taxpayer, except that Illinois Children's Home stepped in and found adoptive parents for her — parents who love her and care for her as part of their own family.

**Love for the Unwanted** So, contributions to the United Fund and selfless work by Co-

## Burglars Hit Homes, School

Two house burglaries and a break-in at a school were among crimes reported to Quad-City authorities during the weekend.

Donald Lilly, 2033 Park avenue, reported at 4:45 p.m. Sunday that someone ransacked his home and took some dishes, a window fan, clothing and a girl's bicycle after 6 p.m. Saturday. Entry was gained through a basement window.

Dale Maxville, 504 Margaret street, Mitchell, reported at 6:15 p.m. Sunday to the Madison county sheriff's office that a ring set with a pear-shaped diamond and two smaller diamonds, two fifths of whiskey and a mixed breed dog were stolen in a burglary of his home last Sept. 30. The loot was valued at \$700. Entry was gained by breaking the rear door window.

**School Burglarized** A portable typewriter was among items stolen in a burglary at Dunbar School, Madison, reported by 3:33 p.m. Sunday. Entrance apparently was gained by crawling onto the roof and through an open window. Desks

## 8000-10,000 Attend 'Fun Fair' Event

The second annual United Fun Fair event, held Saturday and yesterday at Wilson Park, drew an estimated 8000 to 10,000 visitors, according to Granite City Police Chief Ronald Veizer and United Fund officials.

The number of patrons attending the 1970 kickoff program exceeded last year's crowd.

Top awards presented booths at the Tri-Cities United Fun Fair were won by Protestant Welfare Organization, named the most outstanding U. agency booth; and Quad-City Council of Church Women United, non-agency. Both sponsoring groups received gold medals and blue ribbons.

Second place booth awards went to Catholic Charities, a U. agency; and Phi Tau Omega Sorority booth, a non-agency.

## Call Bids on 11 More State Highway Jobs

The Illinois Division of Highways has called bids on 11 Madison St. Clair county highway projects for Oct. 22, including one providing for culvert repairs on Route 3 about one mile north of Granite City.

Bids are being called for the first time on four of the projects. The others had been advertised in two earlier lettings but bids were rejected because they were too far in excess of cost estimates.

The seven re-advertised projects involve \$5 million in work. Cost estimates for the new projects will be published in about ten days.

## Drive Opens in Ponton To Build Teen Center

Two large building lots in the vicinity of Gaslight Plaza shopping center for construction of a community center for residents of Ponton Beach and the surrounding area will be donated by Jim Green Construction Co., it was reported this week.

The announcement coincides with the beginning of a month-long drive for funds to erect the community center, according to Mrs. Sharon Littlejohn, president of the Nameoki Youth Adult Community Service group which is spearheading the campaign.

A proclamation designating the month of October as "Nameoki Youth-Adult Fun Raising Month" was issued this week by Ponton Beach Mayor Thomas Stalcott. The village official applauded the efforts made by the recently incorporated youth-adult organization to secure funds, and land for the project.

The tract donated by Green lies adjacent to the Cinema building, now under construction at Gaslight Plaza shopping

center, located in the 4000 block of Ponton road.

**Plan Outdoor Facilities** Precise dimensions of the property were not disclosed, Mrs. Littlejohn said. However, the area includes sufficient ground to permit construction of a 100-foot-long building with related outdoor recreational facilities.

"The center will house activities for teenagers, adults and senior citizens," the NYA president said. "Not only those living in Ponton Beach, but persons living in the Arlington Heights area, Skellings and other sections of Nameoki township."

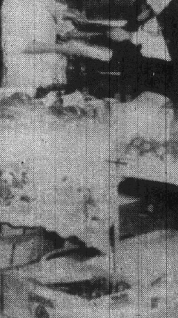

Initial construction costs are estimated at \$10,000. Mrs. Littlejohn said, emphasizing that a specific figure has not yet been determined. The tentative cost estimate is in addition to "a considerable amount of donated labor promised us by parents of teenage members."

A building fund has been established.

## State Seeks 35,000 Taxpayers Due Refunds

Illinois Revenue Director George Mahin said his department is trying to locate more than 35,000 individual taxpayers who haven't received 1969 state income tax refund checks. Mahin told a news conference:

"Every Illinois income tax refund check that can be processed has been issued. We know there are at least 35,000 individuals who have refunds coming in addition to the checks already issued, but we can't find these people."

"We are just as anxious as they must be to get the refund checks into their hands, if they are entitled to the refunds." The revenue director noted that six per cent interest will be paid in addition to the refund amount, retroactive to the filing date or the due date of the return (whichever is later) if the delay is the fault of the department.

### Print Information Coupon

As a public service, the Press-Record is printing an information coupon to help people contact the revenue department if they have not received 1969 state income tax refunds.

These people should fill out the adjacent coupon, either typing or printing clearly the information requested and mail the completed coupon to the Illinois Department of Revenue, P.O. Box 3806, Springfield, Ill. 62708.

Mahin said, every taxpayer who sends in an inquiry will receive an acknowledgement and an immediate investigation will be made to find the taxpayer's missing refund check. He continued:

"More than four million individual state income tax returns were received this year. Searching for these missing checks is going to take time, so we urge taxpayers to make their inquiries immediately and to be patient while we finish the checks."

## Chief Veizer to Chair State Conference Meet

Police chiefs and other law enforcement officials were to meet today at the 57th Annual Conference of the Illinois Municipal League at Springfield with Chief Ronald J. Veizer of Granite City, third vice-president of the Illinois Association of Chiefs of Police, presiding at the day-long session.

Ray F. Breen, Chicago, associate director of the Illinois Law Enforcement Commission, was to speak on the functions of the commission.

William H. Ives, Springfield communications project director for the commission, was to present a demonstration of the operation of the Illinois State Police Emergency Radio network, followed by Roland Smith, Springfield, assistant data processing manager who was to discuss the Law Enforcement Data System.

A division period was to conclude both the morning and afternoon sessions.

### Returns From Service

Boatswain's Mate, Second Class, Glenn Dean Ethington has returned home after being honorably discharged from the U. S. Navy where he was stationed with the U. S. S. Nitro, an ammunition ship stationed at Davette, R. I. He is staying with his parents, Mr. and Mrs. Richard Ethington, 2037 Bryan avenue.

## Bonds Nearly 30 Years Old Found; Owner Lived Here

A search for a Granite City resident, or her heirs, in an attempt to dispose of the proceeds of four U. S. Savings bonds found in an old chest of drawers purchased by a Missouri woman, is being made by the office of Cong. Melvin Price (D-East St. Louis) to whom the problem was referred by a Missouri congressman.

The bonds, issued nearly 30 years ago, had a face value of \$3000, but with compounded interest since dates of issuance are worth from \$500 to \$6000, Cong. Price's office said.

A spokesman said Price's office is seeking information concerning Mrs. Mary Polenchik who purchased two bonds in the amount of \$1000 each on April 22, 1940. One of the bonds was issued to Mrs. Mary Polenchik or Miss Mary Polenchik, presumably a daughter. The other was issued to Mrs. Mary Polenchik or Miss Helen Polenchik, also believed to be a daughter.

Two other bonds also were found, one for \$500 dated May 21, 1942, and issued to Mrs. Mary Polenchik or Miss Helen Polenchik, and the other dated Aug. 26, 1941, issued only in the name of Mrs. Mary Polenchik, Price's office said.

At the time the \$500 bonds were issued in 1941 and 1942, Mrs. Polenchik's address was listed at 2248 Iowa street. The

bonds issued in April, 1942, listed her address as 2001 Lee avenue.

The spokesman in Price's office said the four bonds were found in the drawer of a chest that was purchased at an auction sale in Missouri by a woman who turned over the bonds to Cong. Richard Ichord, Ichord, in turn, referred the matter to Price's office to see if information concerning Mrs. Polenchik could be obtained. A search thus far has failed to reveal her whereabouts or the location of heirs.

## Tax Must Be Paid on Household Wages

Housewives who pay someone \$50 or more for household services during any three-month calendar quarter must report these payments and pay the Social Security taxes to the Internal Revenue Service, Jay G. Philpott, District Director for Central and Southern Illinois, said the report for July, August and September calendar quarter is due Oct. 31.

The Social Security tax on household wages is 4.8 percent for the employer and 4.8 percent for employee. When the quarterly report is filed, a check or money order representing 9.6 percent of the cash wages reported for the period should be included with the return.

Form 942, Employer's Quarterly Tax Return for Household Employees, must be used to report the Social Security taxes due. After the first one is filed, a copy of Form 492 is mailed to every employer in time for the next quarterly report.

Mr. Philpott said that anyone who hires a maid, cleaning woman, cook, governess, housekeeper, caretaker, gardener, chauffeur, etc., is liable for Social Security taxes if cash wages of \$50 or more are paid to her are paid to one employee. Money given to employees for carfare is to be counted in total wages paid. However, the value of meals is not included.

## Cub Leaders Begin Training Tonight

Cub Scout leaders in the Quad-City area will be able to sharpen their skills and learn more about the Cub Scout program in a series of meetings beginning tonight.

A series of four cub training sessions continuing for the next four Mondays will be held at the Suburban Baptist Church, 2500 St. Clair Avenue, at 7:30 p.m. each Monday.

Tonight's session is titled "The Cub Scout Program," and will give leaders the overall picture of what Cub Scouting is about, and the new changes that have taken place.

The Oct. 2 session will be concerned with planning the Cub Scout Program.

The Oct. 19 meeting will be divided into two sessions; one on Den Leader's skills, and the other on pack management.

The final session, on Oct. 26, will take up two important topics. Operating the den meeting and operating the pack meeting.

The training courses are open to all adult Cub Scout leaders and interested parents.

## Army Announces Ranger Openings

Sgt. R. B. Mabry, U. S. Army recruiter in Granite City, announced today that qualified young men may enlist for the Army Rangers and initial assignment to the 75th Infantry Regiment.

Among the qualifications for enlistment in this group are excellent physical condition, attainment of qualifying scores on the required Army mental tests, the selection of advanced individual training in either infantry or as a radio operator and to be a volunteer for airborne training.

Ranger trainees must complete eight weeks of basic combat training, pass initial swimming tests by swimming 50 meters, complete eight weeks of advanced individual training and attain qualifying scores on the Army physical fitness tests.

The trainee is then transferred to Fort Benning, Georgia, for the basic Airborne course which lasts three weeks and earns him the silver wings of an Army paratrooper.

A nine-week Ranger course follows.

Sergeant Mabry has additional information on Ranger training and the new noncommissioned Officer Candidate course available at his office, 1306 Niedringhaus avenue.

## No Squinting!

## Sony's FM/AM digital clock radio

Only large numerals that tell the time minute by minute. You don't get an ordinary clock in Sony's Digmatic FM/AM clock radio BFC-69W. You get one that's pushbutton controlled with large easy-to-read numerals, instead of a clock. (And easy to operate.) Which means: Once you set the time you want and push the automatic button, it wakes you up the exact same time every morning, automatically. With no re-setting ever. Also shuts itself off by itself after an hour of play. And it can automatically adjust to a slightly higher tone to wake you gently, if you doze off. And look, no hands! Press manual button and radio becomes a regular table set. Radio performance? Nothing but rich, big sound thanks to special Sony circuitry, 850 mw of power, and a full 3 1/2" dynamic speaker. All in a low, sleek, compact cabinet that takes up a minimum of space. Styled in white or grey. Complete with earphone. Come in, take one home, and pleasant dreams.

## Florida Services for Mrs. Mathel Bridges

Funeral services were held Wednesday in Pensacola, Fla., for Mrs. Mathel M. Bridges, 57, a former long-time resident of Granite City.

Mrs. Bridges, who resided with her husband, Guy, at 1610 East Hayes street, Pensacola, was found dead in the hallway of her home last Monday. An investigation and inquest are pending.

Born in Poplar Bluff, Mo., Mrs. Bridges came to Granite City with her parents at age nine and resided here until moving to Florida 17 years ago. She was formerly employed by Western Cartridge Co. in East Alton.

Beside her husband, Mrs. Bridges is survived by two sisters, Mrs. Gladys Vandever and Mrs. Maude Vanzant, both of Granite City. The two local residents returned home late last week after attending the funeral in Florida.

## Hollis White Acting Dean of Fine Arts

Hollis L. White, chairman of the speech and theater faculty, has been named acting dean of the Division of Fine Arts at Southern Illinois University, Southern.

White replaces Andrew J. Kochman who has been confirmed by the Board of Trustees as vice chancellor for academic affairs.

White has been a member of the SIU-Southern faculty since 1962 and taught previously at the University of Missouri in Columbia and Queens College, N.Y. The new acting dean earned his bachelor degree at the University of Illinois and master's and doctoral degrees in speech at the University of Missouri.

Vice Chancellor Kochman said a search committee has been formed in the Fine Arts Division to recommend candidates for appointment as dean. White will serve as acting dean until a dean is appointed. The Fine Arts Division includes the faculties of art, music theater and mass communications.

## Galena Best Preserved Historic Town in State

The northwestern corner of Illinois rises out of the prairie as a surprise to most of its visitors. It is a different land with rolling hills that guard lush valleys, and high bluffs overlooking the Mississippi River. It is a rugged land, rich in the history of early America.

The vacation capital for this region is Galena, the city that time forgot, and probably the most perfectly preserved historic town in Illinois.

Galena was one of America's first boom towns and blossomed when lead was discovered at the Fever River diggings nearby.

It also became a leading frontier city and river port, and the home of a retired Army officer named Ulysses S. Grant.

Grant arrived in Galena in 1860 with his wife and four children to work in his father's leather store.

## H. W. Kattenbraker, 71, Dies; Here 47 Years

H. W. Ewald Kattenbraker, 71, of 816 State street, Madison, was pronounced dead on arrival at St. Elizabeth Hospital at 5:35 a.m. Friday. He had been ill two years. Death was due to cancer.

Born in Bremen, Ill., he had been a resident of the Quad Cities for 47 years and retired five years ago from Olin Industries, East Alton, where he had been employed as a carpenter for 11 years. He was a member of St. Peter's United Church of Christ, and of Masonic Lodge 877.

Survivors include his wife, Anna; one son, Henry E. Kattenbraker of St. Louis; one daughter, Mrs. Audrey Raches of St. Louis; three sisters, Miss Alma Kattenbraker of Cincinnati, Ohio, and Mrs. Hulda Geagan and Mrs. Lillie Moreland, both of Madison and six grandchildren.

Funeral arrangements are given in today's obituary column.

## Orientation Meet Set

St. Elizabeth Roman Catholic Church, 2300 Pontoon road, will hold an orientation meeting for parents of boys wishing to join Cub Scout Pack 13, Tuesday at 7:30 p.m. at the St. Elizabeth school cafeteria.

West Point graduate, he drilled the town's volunteers at the start of the Civil War and went with them to Springfield, the state capital, where he was commissioned a colonel.

Upon his return, the city held its greatest celebration and then presented him with a handsome brick two-story home in the best style of mid-Victorian architecture.

This home today is his most interesting memorial. Restored to its original appearance, it contains the actual furniture; silver and china used in the White House; and even some of the General-President's clothing and other belongings.

The DeSoto House Hotel on Main Street was Grant's presidential headquarters in 1868. The hotel is still in use and contains a museum of Grant, and the Lincoln-Douglas debate held in Galena.

There are many other restored homes in historic Galena. Among them is the Dowling House, the city's oldest dwelling, built in 1836.

Here, too, is the last of the Midwest Market Houses. The beautiful and restored Market House was built in the early 1840s and became the center of farm business with market stalls and an auditorium used by the city council.

To many, the city is one great museum. There are interesting tours, visits to homes twice a year, and some of the finest antique shopping in mid-America.

There are many other things to see and do in this corner of Illinois. In winter, there is skiing at Chestnut Mountain, and during the summer you can take the family to a ride on an old-time steamboat on the Mississippi River.

There is fine camping along the Mississippi Palisades, and the fishing is some of the best on the river.

But all of the history does not lie along the great river. Inland, just a short drive, is Grand Detour in the Rock River Valley.

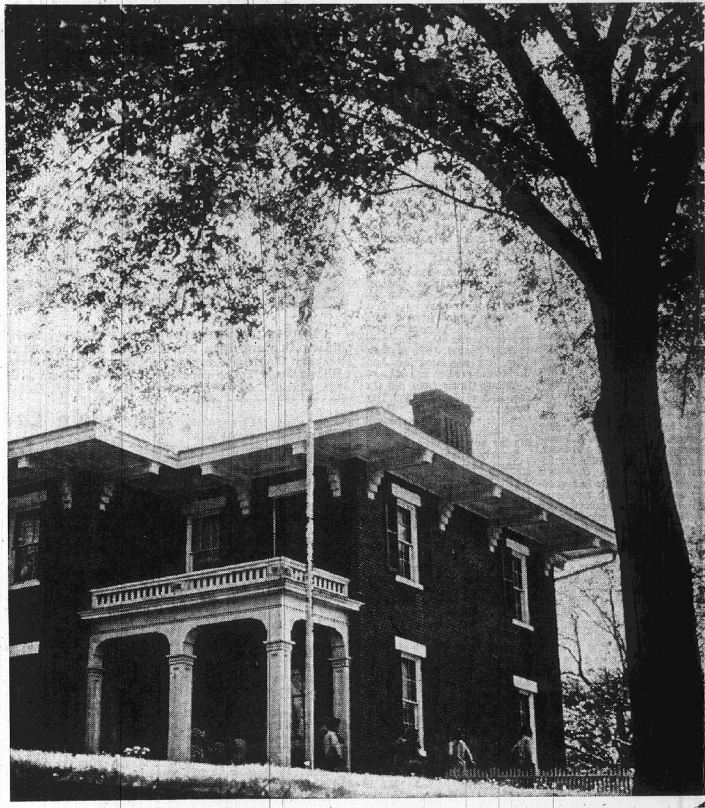

The old settlement, founded in 1834, never realized its early promise and is today an unincorporated village of 400 persons. But it was here, in a small blacksmith shop, that John Deere developed and built the first self-scouring steel plow.

Deere's steel plow was just what was needed to cut the soil of the prairie and it is said to be the key that opened the west to agricultural development.

The problem was simple. The plows brought west by the early pioneers were designed for the sandy soil of the east, and the rich black soil of the prairies had to be scraped off every few steps. But in 1837, Deere developed a steel plow which cleaned itself.

Deere himself left Grand Detour for Moline where transportation was better, but today visitors to northwestern Illinois can visit the site of this historic development.

An archaeological exhibition building now covers the site of the original blacksmith shop, and the complex includes the Deere house, a visitor's center and a working blacksmith shop.

HOME OF PRESIDENT GRANT at Galena, Ill. Children are shown viewing the historic residence during a pilgrimage to the city, described as the

most perfectly preserved in this state. General Ulysses S. Grant resided in Galena both before and after the civil war.

## Scout Dinner, Camping Roundtable Topics

A Boy Scout Leaders Roundtable will be held at 7:30 p.m. Tuesday at the Central Christian Church, 2020 Johnson road.

The purpose of the roundtable is to help adult scout leaders prepare for future program events," according to Commissioner Ray Gaudett sr.

A major item of business at Tuesday's meeting, will be the annual district dinner for Scout leaders and their wives Nov. 2, at St. Elizabeth Church.

The 50th Anniversary Camp-O-ree to be held Friday through Sunday at Wilson Park, where more than 600 Boy Scouts will be camping, also will be reviewed with leaders attending the roundtable. The Boy Scout Roundtables are open to any adult interested in the program.

## Madison Acts to Produce City Flag for Residents

The city of Madison shortly may have a city flag if an aldermanic committee, appointed by Mayor Mike Sasysk, can find a manufacturer who will produce the pennant at a reasonable cost.

The flag issue was raised last week by Mayor Sasysk who noted that a design was chosen late last year for a city flag. The selection was made as part of a special contest conducted by the Tri-Cities Chamber of Commerce and involved Granite City and Venice.

"I think we should investigate having flags made up for our city," Mayor Sasysk said. He appointed to the committee, First Ward Alderman Donald Reeves, Second Ward Alderman Donald Broyles and Fourth Ward Alderman Mike Sikora.

The flag, designed by William D. Fox, 814 Madison avenue, a high school student, was selected the outstanding entry in the Madison segment of the contest. The black and white pennant shows an outline of the city-owned Chain of Rocks Bridge, over the date "1891" when Madison was founded as a village. It also is inscribed with the words—"Symbol of Success."

Senior Citizens Organize In other business, the council heard a report from the mayor concerning formation of a senior citizens club for Madison residents.

Mayor Sasysk informed the aldermen about 40 senior citizens took part in the first organizational session. "We hope to have an outstanding senior citizens club which we have not had in our community to date," he said.

Noting that the council's interest lies with the young as well as the older resident.

## Pole Struck, Hits Car

A twelve-foot iron pole was pushed onto a used car at Ritz Motor Co., Seventh street and Madison avenue, Madison, by a hit-and-run motorist it was reported at 7:45 a.m. Friday. Only minor damage was caused to the hood of the used car.

## Granted Probation

Danny Tubbs, 17, of Granite City, was granted two years probation last week in Madison county circuit court as Edwardsville after pleading guilty to a charge of burglary at a home in the 2500 block of East 27th street last June.

## Edwardsville Baby Killed in Collision

An Edwardsville baby was killed and three persons were injured when autos driven by Mrs. Jane Jennings, 28, of Route Four, Edwardsville, and David Jolley, 64, of Litchfield, collided head-on at 3:30 p.m. Thursday on Route 159 a half mile north of Route 162.

Suffering fatal injuries was a 1-year-old Paul Jennings, three months, while his mother and brother, James, three, were taken to St. Joseph's Hospital, Highland. Jolley was taken to St. Francis Hospital, Litchfield.

## \$206,107 in New GC Building; 13 Houses Erected

Forty-eight building permits showing values totaling \$206,127 were issued for new construction in Granite City during September.

The amount was greater than a \$85,217 total in 38 permits in August and slightly under a \$206,463 total in 48 permits in September of last year.

Last month's activity included 13 homes, \$160,000; five garages and carports, \$4660; 23 for remodeling and repairs, \$27,669; four for commercial purposes, \$8898; two trailers, \$6400; and one miscellaneous, \$580. In addition, two permits were issued to raze structures at a cost of \$800.

Obtaining permits in the last part of the month were: Jerry Bristol, 2913 Buxton avenue, a new home after tearing down most of an old one, \$3000; Woodrow McGarity Jr., 2920 Denver street, a trailer, \$3400; Joseph's Hair Fashions, 2100 Woodlawn avenue, a garage, \$800; Melvin Castleman, 1961 Spruce street, a carport, \$300; Rupert Hainline, 2826 Yale drive, addition to carport, \$200.

Harold S. Wright, 731 Twenty-eighth street, a new roof, \$200; Melvin Damm, 2436 Iowa street, install aluminum siding, \$200; Paul Seger, 1726 Delmar avenue, remodel house, \$1000; Richard Barnhart, 2916 East 24th street, enclosure porch, \$1315.

Earl Ingram, 2401 State, remodeling and repairs, \$552; Leon Ross, 2629 Madison avenue, a new roof, \$100; Harold Harris, 2632 Adams street, new porch and patio, \$1700; Richard Mowery, 2317 Terminal avenue, repair porch, \$200.

Leona Jones, 2748 Harding avenue, a new roof, \$200; Joe Besto, 2222-24 Washington avenue, install siding, \$1000; Larry Allen, 2434 Washington avenue, build porches, \$900.

Lester Metcalf, new roofs at 2256 Leab avenue, \$300; and at 2254 Leab, \$400; W. T. Naylor, 2238 Missouri avenue, new roof, \$1200; and Daniel Denk, 2830 Cayuga street, a shed, \$500.

A permit to raze a dwelling at a cost of \$300 was issued to Elvin Simpson, 1205 St. Paul street.

**COMMUNITY CENTER FUND.** Pontoon Mayor Thomas Staicoff signs proclamation designating October as "Nameoki Youth-Adult Fund Raising Month" for the purpose of securing donations to construct a community center in the Pontoon Beach area. Interested observers, from left to right, Mrs. Maxine Grissman, secretary; Mrs. Dell Whitsell, vice-president; Mrs. Sharon Littlejohn, president; Mrs. Jeri Recer, treasurer; and Mrs. Nora Burch, a charter member of the Nameoki Youth-Adult Community Service, Inc.

## MORE ABOUT Drive Opens

Established by the NYA group at the First National Bank in Madison where donations may be directed. Contributions in any amount may be sent to the NYA Community Center Building Fund, First National Bank in Madison, 600 Madison avenue, Madison.

"The teenagers are getting into this fund-raising drive with great enthusiasm," the NYA president said. "They are very anxious to get a building started as there is no place to hold Teen Town at the present time."

The Pontoon Gators Teen Town was refused rental of the Long Lake fire hall for weekly dances this year.

Mrs. Littlejohn said that one youth has designed a window sticker resembling a "key."

"The boy said the decal design symbolizes 'A key to unlock the gap between generations,'" she explained. The decal also is inscribed with the letters NYA and Community Center.

Teenagers in the area will start offering the stickers for sale to the public, starting Oct. 13, she announced. Canisters also are being distributed to area business firms and donations to the building fund may be deposited in the containers.

**\$2500 Contributed**  
Funds accumulated so far and deposited at the First National Bank in Madison total \$2500.

"We raised this amount through teenage dances and other activities, such as the carnival and beauty contest project sponsored in late August," Mrs. Littlejohn said.

"We really need a place in the Pontoon Beach area, not only for our youth, who are good kids, but for our older citizens too," Mrs. Littlejohn stated. She emphasized that at the present time neither youth nor senior residents have a common meeting ground available to them in the village region.

The question of whether a Teen Town is needed in the Pontoon area gained overwhelming approval from voters who cast straw ballots in a "mock referendum" held in May 1969. A total of 954 "yes" votes to only six "no" votes were cast in support of Pontoon Teen Town by area residents.

The proclamation issued by Staicoff said: Whereas, the Nameoki Youth and Adult Community Service, Inc., hereinafter called the NYA, Non-Profit Corporation Certificate No. 12430, and Whereas, the NYA was organized for the operation and maintenance of a Community Center and the managing, promoting, conducting and furthering of community projects to provide recreation and guidance for persons of all ages in the community.

Be it therefore resolved that I, the Mayor of the Village of Pontoon Beach, do hereby proclaim the month of October 1970 as NYA Fund Raising Month in order to build the community center, and urge the citizens of our community to join in this effort.

In addition to house-to-house solicitations, donations may be placed in canisters located at many local business firms.

## Fred Means, 77, Dies At Veterans' Hospital

Fred H. Means, 77, of 1129 Bissell avenue, Venice, died at 9:15 p.m. Sunday at Veterans' Hospital, St. Louis, where he had been a patient two months. He had been ill two years.

He was a member of the American Legion, Post Number 307.

He is survived by his brother Arthur Means of Venice.

Funeral arrangements are given in today's obituary column.

## Fires Damage Garage, Motorcycle and Auto

An estimated \$200 fire damage was done to a garage owned by Howard Koenig, 2608 Jerden avenue, at 11:45 a.m. Sunday. Trash that had been burning behind the garage was the apparent cause of the blaze.

A motorcycle caught fire at 10:15 a.m. Sunday due to a carburetor backfire. The owner, Russell Darron, 2733 West 2nd street, estimated damage at \$400.

There was \$50 fire loss, due to a carburetor backfire, to the 1964 auto of Lewis Ray, 2413 Iowa street, there at 5:50 p.m. Saturday.

## Police Recover Steel That Fell From Truck

Venice police recovered ten bundles of steel, each weighing 5200 pounds, that apparently had fallen from a truck on South Fourth street. Police said a passing motorist reported the steel along the highway at 10:30 p.m. Friday.

The steel was found about 50 yards south of the highline at the Fourth street curve. Each bundle was ticketed and a shipping firm was notified of the incident, police said.

Five Venice residents and one Madisonian complained to Venice police that a train obstructed the Broadway crossing from 4:49 to 5:19 p.m. Saturday. They signed warrants and officers are seeking the identity of the engineer.

## Chester Collins, 85, Dies of Pneumonia

Chester Collins, 85, of 915 West Washington street, Madison, died at 5:45 p.m. Saturday at St. Elizabeth Hospital of pneumonia. He had been ill six months and at the hospital one month.

Born in Arkansas, he had been a resident here for 45 years. He had worked at American Steel Foundries and the U. S. Army Depot. He was a member of the Mount Nebo Baptist Church, Madison.

He is survived by his wife, Mrs. Irene Collins; two sons, Russell Collins of Madison and Julius Collins of Chicago; two brothers, Otha and Hozey Collins of St. Louis; and three grandchildren.

Funeral arrangements are pending in East St. Louis.

### Prather, Coolidge Gain Grid Victories

Prather tripped Edwardsville 13 to 6 in a road game and Coolidge topped Belleville-West 12 to 7 at home Thursday in Madison County Junior High School Football League games.

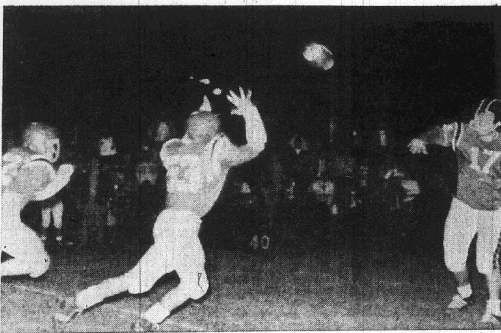

Quarterback Don Lloyd gave Prather a first quarter advantage in crossing the goal line to climax a 75-yard drive. Ruben Ybarra, who averaged 30 yards in kicking, punted the extra point. Chuck Finley picked up the other touchdown on a Lloyd pass.

Mike Martinez, Coolidge quarterback, scored both TDs for the Brave victory. Two other touchdowns plays by Halfback Dale Williams were nullified by clipping penalties.

### Gibbs Plays Center On Elmhurst Eleven

Robert D. Gibbs of Granite City has been selected as a member of Elmhurst College's 1970 football team.

Gibbs, a senior, is the center for the Bluejays. He is the son of Mr. and Mrs. Clarence Gibbs, 24 Jeanette drive, and a graduate of Granite City High school. He gained his early gridiron experience under the direction of former GCHS Coach Jim Morrison.

## Chandler, Lewis Tally Touchdowns But Bulldogs Overwhelm Madison

By ROBERT MANGOFF  
MHS Football Writer

The Madison high school Trojans not only suffered their third straight setback but also lost their first Midwestern Conference game as they were defeated Friday evening by the Highland Bulldogs 48-14 at Madison.

MHS has topped Highland here 74-0 two years ago.

After the first quarter ended Friday with the score 8-0 in favor of the Bulldogs, the Highland team, with an extremely strong offense, pulled further ahead of Madison 24-0 at the end of the half and 32-8 at the end of the third quarter.

This attack was the result of combined efforts of the quarterback, Gary Michael, and runs by Fullback Tom Wenzel and Halfbacks Rick Moss and Steve Luber.

Madison touchdowns were scored by Edward Chandler, 5-11, 185-pound junior halfback, on a three-yard plunge and Austin Lewis, 6-1, 190-pound senior quarterback, on a run from the one-yard-line.

The other Trojan points were scored by Lewis on conversion runs following each of Madison's touchdowns.

Madison, as it did in its two non-conference games, relied heavily on running gains while the Highland team excelled both in running and passing. The Madison defense squad was unable to hold back the Bulldog attack.

**Early Drives Stalled**  
Taking the opening kickoff at the Bulldogs 25, Luber ran to the Highland 41-yard-line. However, after three runs, the Bulldogs were unsuccessful in their attempt for a first down and were forced to punt the ball.

The punt, which traveled to the Madison 20, was caught by a Trojan halfback who was thrown back to the 19. From this point, the Madison team moved the ball to the 30 on runs by Dwayne Shaw, 5-11, 200-pound senior halfback, and Chandler for a first down.

This drive was then halted after two successive losses and a pass incompletion. When the Trojans attempted to kick, the punter fumbled the ball. Although he recovered it himself, Highland had a first down on the Trojan 24.

**Initial Touchdown**  
The Bulldogs moved to the two pn runs by Moss and Luber, before Luber himself carried the ball in the end zone for a touchdown. The conversion run by Wenzel was good, making the score 8-0.

After the kickoff went to Chandler, who returned the ball from the Madison 35 to the 37, the Trojans threatened when they moved the ball to the Highland 16, almost entirely on runs by Shaw and Chandler.

But Madison could not score as it lost the ball on downs at the Bulldog 30-yard-line. Following two three-yard gains, Moss broke through the Trojan defense as he sped from his 26 to the Trojan 35-yard line.

**ENEMY PASS RECEPTION** by Mark Gelly (32) of Highland here Friday night quickly draws Madison defensive players Roger Glasper (20), Austin Lewis (17) and Ed Chandler (19).

Seven plays later, Wenzel carried the ball six yards for a touchdown. The conversion run by Moss was good and Highland led 16-0.

The Trojans, after taking the kickoff, had another mild threat as they reached the Highland 47 but again their advance stalled and they lost the ball on downs.

Starting at its 47, Highland, after a run of two yards, suffered a big loss. Courtney Prothro tackled the quarterback at the Bulldog 35.

A pass from Michael to Wenzel quickly made up the yardage, placing the ball at the Trojan 42.

**Score on Pass Play**  
Two runs by Moss of 10 and two yards set up a 29-yard touchdown pass from Michael to Larry Mohme. A conversion run by Michael was good and the score became 24-0.

Taking the next kickoff, Roger Glasper ran the ball 20 yards to the 35, where a 40-yard pass from Lewis to Chandler placed the ball on the Highland 25.

This drive was also halted when Michael intercepted a pass on his 15 and ran it to the Dogs' 33 as the half ended.

In the third period, Chandler took the kickoff and ran from his 14 to the 48.

**Trojans Break the Ice**  
The Trojans, after seven plays, which were runs by Shaw, Lewis and Chandler, scored a touchdown on a three-yard carry by Chandler. The conversion run by Lewis made the score 24-8.

Highland later restored its 24-point lead on a 22-yard TD run by Michael and conversion run by Wenzel.

Neither Highland nor Madison could score the next time they had the ball, but Chandler later ran a punt from his 38 to the Highland 45 followed by another long run to the Bulldog six.

# Early, Late Scoring Enables GCHS To Top Collinsville Kahoks 27-7

By TERRY TOTTH  
GCHS Football Writer

The Granite City Warriors remain undefeated. They won their third in a row by beating the Collinsville Kahoks 27-7 Friday night at Collinsville in their Southwestern Conference opener.

Despite the score, the Warriors—especially the defense—did not look as impressive as they have in previous games but took advantage of the few mistakes made by the Kahoks.

The Warriors rushed for a total of 357 yards and 14 first downs.

Mike Wilson, not playing as much in this game, still gained close to 100 yards on 26 carries. The Warriors played basically a running game, as Quarterback Don Harris threw only four passes, two of which were complete.

**76-Yard TD Drive**  
The scoring started early in the first quarter on a 76-yard drive in which Harris ran for the one-yard-line for the touchdown. The extra point kick attempt failed and the score stayed at 6-0.

The second Warrior march started after an interception by Granite City's Tom Mitchell on his own 30.

This set up a beautiful 70-yard run by Stan Stazychar for the second first-quarter TD. Again the kick for an extra point failed, and the score rose to 12-0.

Granite City threatened again, late in the second quarter, marching to the Collinsville one-yardline. But good luck befell the Kahoks as they recovered a GCHS fumble on their own four-yardline.

**Touchdown by Kahoks**  
The Kahoks early in the second half started the march. Runs by Dave Rensing, Jack McClain and a great diving catch by George McKinnon on the five-yard-line set up McClain for the TD run.

The extra point attempt by the Kahoks, a kick by Jim McFall, was good but it made it 12-7, cutting the Granite lead to five points.

The enemy defense really held the Warriors in the second and third quarters and it looked as though it was going to be a close game.

But in the fourth period, Granite City started rolling again, from the Collinsville one-yardline.

**Kuneman Crosses Goal**  
After runs by Harris and Wilson, Dennis Kuneman went over from the one for the third Granite City TD.

Instead of the extra point kick, GCHS tried a conversion and Mike Wilson went over for the two points. This made it 20-7.

The last scoring drive by the Warriors came after Warrior Steve Stagner intercepted a pass

**DON HARRIS**  
First TD of Game

**DENNIS KUNEMAN**

on his 40-yard-line and ran all the way back to the Collinsville 15, where he tripped.

After the Warriors made it to the two-yard line, Kuneman went over for his second TD of the night. This time, a kick by Joe Wallace was good and the score stood at 27-7.

Could Have Been Close  
The final score of 27-7 was not indicative of the game played by the Kahoks.

Take away the first six minutes of the first quarter and the last six minutes of the

fourth quarter and Collinsville fairly well dominated the game. GCHS Coach Wayne Williams said it "plain and simple" when he voiced disappointment.

"Maybe we were over-confident, or maybe we just had a bad game—I don't know."

"I only know we had better show 100% improvement on the next week against Alton or it could be a massacre."

The Warriors played the top-ranked Alton Redbirds next Friday night at the GCHS field.

## Cougar Soccer Team Downs Rockhurst 3-1

Southern Illinois University-Southwestern's soccer team, home after a 3-1 victory at Kansas City over Rockhurst College Saturday, began preparations to meet the threat of Quincy College this week.

Coach Bob Guelker will no doubt spend most of today checking with doctors on the condition of his Cougars. Two regular goalies, Jim Stranz and left halfback Joe Galvin missed the Rockhurst game as they were cut down with infectious mononucleosis.

Guelker's worry is caused by the very real possibility that the mono may be sweeping through his squad, plus hamstring injuries to Jack Blake, John Deinoski and Tom Howe. And, while Fred Fawcett played his first complete game against Rockhurst after late surgery on his left knee—filling in for Galvin—Guelker said he'd have to wait the doctor's report to know for sure whether Fawcett was ready to full-out.

Blake, scoring once and assisting on another, paced the Cougars in their comeback victory over Rockhurst. The Kansas City school, always a power in U. S. collegiate soccer, scored at 8:10 in the first quarter on a free penalty kick by freshman Rich Suit of St. Louis.

Taking a pass from John Carenza, Blake tied up the score 1-1 at 6:24 into the third quarter. From that point on it was all SIU-SW. Chris Carenza scored both of the other goals, one on an assist from his brother,

er John at 10:15 in the third period and the final one at 8:27 into the fourth quarter on an assist from Blake. The Cougars outshot Rockhurst 37 to 12.

Rick Benben, subbing for Stranz in goal, continues to look very impressive, but got great help from the Cougars' defense. Denny Driscoll, Kevin and Tom Howe, Vince Fassi and Fawcett.

Mrs. June Becherer reported on a bake sale, and Earl Buegger gave a budget committee report. A discussion was held on fund projects.

The club will meet at the "Y" Nov. 5 at 7:30 p.m.

**Teachers Strike Cancels Game**  
The Madison freshman football game scheduled for last Saturday against Hughes-Quinn of East St. Louis was cancelled due to the teachers strike in East St. Louis.

The Madison freshman team is scheduled to play Coolidge junior high school at 4 p.m. today at Prather field.

**Chuck says...**

Quail season is not too far off to be thinking about. Many bird hunters are already making plans. An honest sportsman will tell you that a quail is not easy to kill. For some strange reason when you shoot they just keep flying. This is why I say it's not too soon to get ready. The reason hunters miss the little bird is that they're either out of shape or not really looking for it. The best way I've found to get in some good practice before time is shooting trap or skeet which can certainly sharpen the aim. Not only is it effective for quail, but watch what happens when you hunt these bunnies. It really works. Get a friend, grab a case of birds, a couple boxes of shells and see if your eye needs any practice. ... By the way ... (here it comes) did you know that there's a friendly little place in town that carries Remington Blue Rock clay pigeons, hand traps, skeet load or field load shells, shooters vest, game vest, all brands of guns, and lots of other hunting supplies. You guessed it, EARL'S Discount Store, the sportsman's headquarters.

That's all folks?

## Molitor Blanks Mercer, Claims Inter-City Title

Molitor Motors again took the Inter-City baseball title for the seventh straight year by defeating Mercer 8-0 in the second game of a best-of-three series Sunday at Wilson Park.

The hero of the day for Molitor was winning pitcher Bruce Thompson who recorded six

strike-outs and no walks in the game, allowing only eight hits. Thompson also shined at the plate with two triples, both with men on base.

Losing pitcher was Donnie Raines who went seven innings, being replaced by his catcher Bob Finke. Steve Schardan caught for Finke in the final two innings.

Two-hit men for Mercer were Bobby Keiter and Finke with Harold Pansley, Schardan, Larry Corey and Roger Belshe each recording one.

Molitor tallied eight runs on 13 hits and no errors against eight hits and two errors for Mercer.

931-2415

A newly-organized Junior Girl Scout troop at Lee school, as yet unnumbered, met for the first time Thursday afternoon with the troop's co-leaders, Mrs. Ruth Buer, Mrs. Jones and Mrs. Lorentz.

In attendance were Julie Adams, Dana Buer, Sherri Christ, Kim Filcoff, Debbie Flenor, Vickie Flenor, Brenda Hudson, Beverly Jones, Robin Lorentz, Marsha Madison, Shelly Pohlman, Lucinda Sweet and Twynette Sweet.

New officers were elected. Patrol One elected Julie Adams as leader, Shelly Pohlman as assistant leader, Beverly Jones as secretary and Marsha Madison as treasurer.

Patrol Two elected Dana Buer as leader, Robin Lorentz as assistant, Kim Filcoff as secretary, and Sherri Christ as treasurer. Elected as troop officers were Brenda Hudson, secretary, and Debbie Flenor, treasurer.

Mr. and Mrs. James Kilponen and daughters, Taina and Triana, of Arlington road, had as overnight guests Mr. and Mrs. Raimo Komi of Nikkila, Finland, Friday night.

This was the first visit to America for Mr. and Mrs. Komi.

Mrs. Kirsti Komi, formerly an airline hostess for Finn-Air, was here to publicize Finnish hand-loomed rugs. Her husband is a pilot for a major import firm in Finland.

The couple flew back to Finland, Saturday afternoon.

A SPECIAL SERVICE FOR OUR CUSTOMERS WITH PRESCRIPTION INSURANCE

St. Elizabeth Catholic Church in Granite City has formed a group called the Volunteers of St. Elizabeth. They are ready, willing and able to help people who are victims of one disaster or another.

This group has recently been busy trying to accumulate Betty Crocker coupons, 600,000 of them to be exact, to acquire a Kidney Machine for a 17 year old boy in Detroit, Michigan who was unable to purchase this expensive machine. Just today, 12,500 coupons were sent to General Mills, the makers of Betty Crocker products, as a payment.

This brings to mind several instances of friends who had to be taken off a Kidney Machine after they could no longer afford to pay. Since the Volunteers of St. Elizabeth started this project other communities have offered their help due mainly to publicity in the Press-Record and KMOX at your service.

There are 2 things you can do to help. First you can send all your Betty Crocker coupons to St. Elizabeth Catholic Church, 2301 Penlon Rd. in Granite City.

Second, you can pick up a UNIFORM DONOR CARD at this Pharmacy or most other Pharmacies in the St. Louis area. This card is a legal document for donation of a Kidney or other organs you may choose to donate upon your death.

This is unique in that it doesn't cost you one penny and yet its value cannot be overestimated.

## Episcopal Bishop to Retire in Two Years

Rev. Albert A. Chambers, bishop of the Episcopal Church's diocese of Springfield, announced Friday night to the 53rd annual Synod of his diocese that he will retire in October 1972 after serving ten years as head of the church in central and southern Illinois.

The news was given to more than 300 delegates from 45 parishes meeting at St. John's Church, Decatur.

Saying that he would become eligible to retire next June, the bishop added that he would continue in office until 1972 "in order that he can plan well in advance the steps to be taken to elect a coadjutor bishop who can become your diocesan bishop upon my retirement." It is expected that the diocese will elect a successor next year who would assist Bishop Chambers until the actual retirement date.

## 20th Street Accident

An auto driven by Mrs. Louise A. Ennis, 2063 Edwards street, being backed into a parking place in the 1400 block of 20th street at 11:45 p.m. Friday, collided with a second vehicle operated by Darrell R. Smith of Summersville, Mo., causing minor damage, police reported.

## TRY A CLASSIFIED AD

Smith is a graduate of the National Urban League executive development program in Washington, D.C. He was deputy executive director of the Phoenix Urban League in Arizona for two years and was personnel analyst with the Phoenix Civil Service Department.

Smith received his bachelor's degree in Educational psychology in June 1966 from Arizona State University.

At a meeting of the board of directors of the Urban League last week in East St. Louis, Smith was introduced to the board members and staff and outlined his program of work for the coming months.

His immediate plans for the league include a membership campaign, a fund drive for the 1970-71 year, a continuation of the league's job placement and employment service and a special "leadership development program" which will be aimed at bringing together all of the leadership elements of the community.

The Madison-St. Clair Urban League office was opened in February 1970 and is one of 97 affiliates with five regional offices and a Washington bureau in Washington, D.C.

The purpose is to eliminate racial discrimination and poor housing and implement training and education and economic development for the betterment of minority citizens.

## Disturbances During Football Game Friday

Several disturbances broke out during and immediately after the Madison high school football game at the Madison Friday night. One youth was injured. No arrests were made at the field.

Officers Ronald Grzywacz and Richard Krieschok reported that on at least two occasions they broke up gatherings of youths who crowded the walkways and that on one of these occasions they saw a youth knocked down. The officers said the boy was unable to identify his attackers.

In another instance, the officers said, they attempted to break up a crowd in the walkways. The youths began shouting and pelted the officers with rocks. Neither was hurt.

Tim Martin, 19, of 1007 Fourth street, suffered facial injuries and the loss of a tooth when he was attacked while watching the game at about 9 p.m., police said. He was unable to identify his assailants.

A fight broke out among a large number of young fans immediately after the game near the stadium entrance. Police dispersed the crowd and Officers Edward Goclan and Cecil Bell reported they followed a group of boys along Sixth street and Madison avenue.

The boys turned down the alley at Fourth street and began throwing rocks at cars, breaking the windshield in one, the officers reported. They radioed Venice police who stopped the boys.

Madison police booked two youths, 13 and 15 years old, on charges of destruction of property. They were released to their parents to appear later for a magistrate hearing.

At 10:10 p.m., Pete Pasch, 639 Greenwood avenue, reported that while he was driving north on State street between Third and Fourth streets, a group of youths threw rocks at his car, breaking the windshield.

Parking Lot Mishap A collision on the parking lot at the Farm Fresh store, Pontoon and Johnson road, at 4:30 p.m. Friday, involved vehicles operated by Mrs. Gilbert H. Hay, 2013 Manley avenue, and Gary Treadwell, 2509 Iowa street.

## Accidents Up. Fatalities Drop During September

Traffic accidents in the Quad-City area during September increased sharply over the number reported during the previous month of August, as well as those of September a year ago, while the number of persons injured fell below the number of injuries reported in August.

Only one fatal accident occurred in or near the Quad-City area during the past month, a decline of one below the total of two reported in August, and a decrease of two below the three fatalities occurring in September, 1969.

Accident statistics show a total of 201 traffic accidents in

the area last month, compared to 167 during August, and 179 occurring in September, 1969.

September traffic mishaps resulted in the injury of 109 persons, a decrease of eight below the 117 hurt in accidents during August but a sizeable increase over the total of 81 persons hurt in September, 1969.

Total Decreases

Accidents in September brought to 1832 the total number of mishaps reported to Quad-City authorities during the

nine months of this year, a drop of 102 below last year's total of 1935 for the same nine-month period.

The injury ratio for the nine-month period remains reasonably stable, statistics show, with a total of 973 persons hurt in traffic accidents during the year thus far, compared with 984 hurt during the same period last year.

Seventeen persons have been killed or fatally injured in the area during the nine months of this year, a 37% decrease be-

## 'CON CON' DELEGATE DISCLOSES HIS INCOME

To the Editor:

I have sincerely like to thank the voters for allowing me to serve as a delegate to the Constitutional Convention. It was an unforgettable experience, one I shall always cherish, and I appreciate the opportunity I had to serve.

I promised to make my income public during my time as a delegate, Dec. 8, 1969, through Dec. 1, 1970, and I submit the following:

State of Illinois, salary, \$12,500; expenses, \$1,200; various taxes, \$489.60; principal and interest on sale of newspapers, \$1,313.52; and other interest, dividends and honorarium, \$282.75.

I consider that my responsibility continues until the election on the constitution Dec. 15. I shall be happy to meet with any individual or group to discuss the proposed constitution.

I have stated that I hope the people vote (yes) on the main proposition (to approve the 1970 constitution) and make their choices on the four separate propositions.

Again, thanks to the people for a most enjoyable opportunity to serve. I may be contacted by telephone in Troy (667-9766) or by writing Ray Johnson, 315 E. Center street, Troy.

## EXCITING COVERAGE OF UNITED FUND, FUN, FAIR

To the Editor:

The Granite City Press-Record is a well-protected channel for airing matters of public interest and appreciation in the Tri-Cities. I don't wish to be too presumptuous to hope you will publish this "letter to the editor" even though it may cause you a few minor blues.

The generous people of the Tri-Cities who support the United Fund should know that we are caused according to actual statistics, more than 50% of the time by drinking drivers.

I don't know if a majority of the citizens' group was "near teetotaler" but if that be true, bravo for them.

This town has a bad image. It needs to be cleaned up. Three hours a night would completely do it but it's a step in the right direction.

Yes, city council, please give it more thought. And then do it.

## New Study of Saccharin Conducted

(American Association for the Advancement of Science)

Since its discovery in 1879, saccharin has been used as a noncaloric sweetener in nearly every country in the world. By 1967, nearly 75% of the population of the United States consumed saccharin or cyclamate or mixtures of the two.

Despite this long-term and widespread use of saccharin, few studies of its potential carcinogenic activity have been conducted in animals.

University of Wisconsin cancer researchers, George T. Bryan, Erodgan Erturk, and Osamu Yoshida report in "Science" how they produced cancer in urinary bladders of mice by implanting sodium saccharin in cholesterol in the bladder cancer.

They found that saccharin and cholesterol pellets alone, saccharin were ground separately.

## No Instant Perfection by Government, Nor Are There Acceptable Instant Alternatives

We have not paid particular attention to the U. S. Senate race in Missouri because there is a lively enough campaign in Illinois, but one of the comments by a Missouri contender seems worth noting. Attorney General John C. Danforth, attributes the apparent lack of confidence in government to the false assumption that there can be "instant perfection."

He cites commercials and entertainment programs picturing immediate relief to problems, saying they create an impression that agencies and institutions failing to achieve Utopia are enemies of progress and therefore proper targets for destruction. He does not advocate the status quo, but urges that citizens take a more realistic view of life and the possibilities of improving it.

America's pluralistic society was made possible through a governmental system that was imperfect, but one in which no one side could gain a monopoly.

We have oversold government in the name of getting votes. Instead, we must inspire the confidence of the people in the system.

The point is well taken because those who expect and demand instantaneous results are kidding themselves, and endangering the ourselves and others with their actions, which often take the form of violence. And they are ignoring the fact that others have the same right as them to help define "satisfactory results" and the direction in which society should move.

## 'Be It Known By All Men That the Midskirt Violates Their Inalienable Right to Admire'

"It is a God-given and inalienable right of men to observe the nectities of the female form in all of its many varied shapes and sizes." At least, that is the opinion of the Hanover Park, Ill., village board, which has adopted a resolution banning the midskirt.

Officials of the Chicago suburb concede their tongue-in-cheek approach to the headline issue lacks legal force, despite all the legal-sounding language banishing the midskirt "forever from within the corporate limits of the village" and listing a fine as punishment for violations.

But it serves as a good example of the way the village board has taken place since the days when city fathers once outlawed attire considered too skimpy, rather than too voluminous.

No less a clothing authority (?) than the Wall Street Journal, viewing the whole subject strictly from an economic standpoint, no doubt, has concluded that "the lower the skirt, the lower the sales." Despite dedicated efforts by designers and by Women's Wear Daily and other fashion publications, females are almost as unhappy as males with the proposed mid-skirt skirts. A few authorities in the field will expect the style to catch on, but most say it already is dead.

The midskirt, it seems, not only makes many ladies view their mirror images as "old, clumsy and ugly," but also conjures up unwanted recollections of the depression-ridden 1930s. Hemlines descend as times grow bad, it is said, and as they try to push their way through the inflation, deflation and favorable economic circumstances are returning.

All of which neatly fits our prejudices. There are a few who contend that styles of the late 1960s and 1970s are unbecoming, but we have yet to see an unflattering "mini," splendorous ensemble.

Live one day at a time and the future looks less awesome.

## Land Appraisals, Offers Planned as State Proceeds to Develop Horseshoe Lake Park

"Seldom was heard an encouraging word for many years regarding establishment of Horseshoe Lake as a state park, but the word now is immensely encouraging."

The Illinois Department of Conservation has completed 95% of its land title work and 85% of its land plat work, setting the stage for the state to begin making offers to property owners Nov. 1.

Appraisals are to begin by the third week of this month. Maps have been prepared pinpointing affected land along Bend road, the Alton & Southern Railroad right-of-way and Highway 111.

Purchases are to be based on replacement values of the property and improvements, less depreciation. Those who sell their land immediately can obtain losses from the state to finance their stay for a year. After that period of time, acquisition will be nearing completion and actual development of the new park can begin.

The project conforms well with the current national recognition that parks need to be provided within areas of dense population as well as at remote sites. The wildlife refuge, recreation facilities and conservation area which are planned will fill long unmet needs, and there is eager anticipation of the first signs of visible progress in carrying out the development.

## Surplus Generated by River Festival Concerts An Outstanding Achievement

"Music festivals employing 100 full-time musicians cannot possibly break even," it was asserted by experts in reply when the initial year's income-outgo imbalance of the Mississippi River Festival was described by some as a "deficit."

Now, almost unbelievably, the Festival was so successful in its second summer that an actual surplus, \$989, has developed; attendance rose 33.7% over the first season for performances by the St. Louis Symphony Orchestra and other musical groups.

It is true that the revenue included contributions by the public, but the "black ink" finish of the 1970 season still ranks as one of the great successes of the music world—and a tribute to the genuine desire in this region for a diverse outdoor concert series.

Residents look forward to an even bigger and better third season in 1971.

## 45-15 School Plan Gives Wider Vacation, Recreation Opportunities

By ROBERT M. BECKWITH Manager, Illinois Chamber of Commerce Education Department (Fourth of a series)

A national redistribution of times for camping opportunities could help relieve the pressure and provide a more efficient utilization of park service on year-round basis.

Community recreation agencies could develop a program of activities suitable for the season of the year and employ full-time, professionally trained personnel to conduct them.

Since at the present moment only one-fourth of the student population would be on vacation, facilities such as swimming pools, ball diamonds, basketball courts, football fields, ice skating ponds, etc., would be less crowded during the school hours, thus affording those children on vacation more enjoyment and use of the facilities.

Summer camps can become more enjoyable and less crowded if given more time.

October winter sports are going to be popular with all age groups. A week or two at a winter camp provides an excellent opportunity to enjoy winter sports, ice skating, fishing and, to name a few, skiing.

Motels would discover increased efficiency of operations as their business spreads out more evenly during the year.

It would help give some over-building to meet seasonal demands at the risk of going bankrupt during the off season.

## Health Cost of Air Pollution Is \$2 Billion in Major Urban Areas

(American Association for the Advancement of Science)

Fifty percent reduction in air pollution levels in major urban areas could produce a savings of \$2,000,000,000 a year in terms of decreased incidence of human disease and deaths, economists Lester B. Lave and Eugene P. Seskin of Carnegie-Mellon University say in an article in "Science."

Emphasizing that the cost figure is an estimate, Lave and Seskin say that the dollar cost is on the conservative side.

For some diseases (bronchitis and lung cancer), evidence is called good for a close association between air pollution and ill health.

For cardiovascular disease and non-respiratory tract cancers, the evidence only suggests a link. Nevertheless, Lave and Seskin argue that an unbiased observer would have to concede that such an association exists.

Using studies made by others on air pollution and public health as the basis for their interpretations, the Carnegie-Mellon economists say that deaths from bronchitis would drop as much as 50% if air pollution

### Munsterman Resigns as Nameoki Village Trustee to Become Postmaster

OCTOBER 5, 1945

Men of the Madison Presbyterian Church met in the service rooms to organize a Fellowship club. Officers elected were Norman Kider, president; Jack Michels, vice-president; W. E. George, secretary; Roy Hill, Jr., corresponding secretary; and J. E. McElwain, treasurer.

There are upwards of 1200 applications for telephone service in this area, dating back as far as March 1943. Telephone equipment is again being manufactured, but the shortage continues due to the large backlog.

### Munsterman Resigns as Nameoki Village Trustee to Become Postmaster

Adam Munsterman, Nameoki village trustee who was elected to a four-year term in April 1945, tendered his resignation to the board and it was accepted. His reason for retirement is that he has been appointed postmaster of the village.

Other business of the board adopted a resolution to install 21 additional street lights, Mayor Leroy Larsh said that this will complete the goal of placing a light at every intersection.

## War for Independence, Fight for Freedom Aided by Printed Word

By ROBERT M. SHAW  
Manager, Minnesota Newspaper Association  
(Second of four National Newspaper Week Articles)

What caused the American Revolution?

How did it happen that American colonists, outnumbered and out-gunned by one of the world's "superpowers," were able to tear themselves away from European rule and set out on a new course in a free world?

Obviously, there had to be a revolution in men's minds. Not all colonists wanted independence.

There were strong forces in colonial America which wanted to stay with England.

What was it that fanned the flames, which set fire to the smoldering revolutionary movement?

Some historians believe the Revolution was largely brought on by skillful writers and propagandists such as Tom Paine and John Quincy Adams, men whose words echoed what most men knew but could not articulate.

These propagandists, writing in a small number of newspapers, converted men to fiery patriots and helped to weld the far-flung colonies into one great social movement.

James Franklin, publisher of the New England Courant, was one of the first of these editors to "kick up the traces."

About 1720, he resisted censorship by the colonial government, and was thrown in jail.

When released, he kept up his sharp criticism of government until the Colonial Court put an abrupt end to his newspaper publishing career.

But his example stayed. It remains to this day. Nobody, especially government officials, is going to see my copy before it's printed!

Later, other colonial editors printed an increasing volume of material which challenged British authority and crystallized public opinion, giving it a clear and positive direction.

There were only a handful of newspapers, but they were read aloud to small groups and to large ones. They carried their revolutionary ideas into every hamlet and frontier village.

The news of the Declaration of Independence was first published in the Pennsylvania Post on July 6, 1776.

First came communications—news of complete rupture with England.

Then came action—ringing of the bells, organizing of the militia, and war.

During the battles which followed, it was the force of words printed on paper which greatly contributed to the morale of the fighting colonial soldiers.

Tom Paine's "Common Sense" was enormously popular with the troops, and his views on "independence were known to every literate American."

It was in the form of a colonial newspaper that the words were published in the Pennsylvania Journal on Dec. 19, 1776.

"These are the times that try men's souls."

"The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it NOW, deserves the love and thanks of man and woman."

"Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict the more glorious the triumph."

"What we obtain too cheap, we esteem too lightly; it is dearest only when it is nearest to us."

"Heaven knows how to put a proper price upon his goods; and it would be strange indeed if so celestial an article as FREEDOM should not be highly rated."

When George Washington read these words he ordered them read to each corporal of his tiny, bleeding army.

He reported that "it worked a powerful change in the minds of my men."

Words printed on paper can have powerful effects.

When words are printed, they remain.

They are not lost in the wind, not subject to the distortions which occur when they are passed along by word of mouth.

They can be handed from one reader to another, without change.

And those persons who pass on the printed word are especially conscious that they may be called to account for what they do.

Newspapers have always provided the best means for the accurate expression of community opinion.

It was true in colonial times, and it is true today.

Similar estimates and computations for other diseases lead to the \$2 billion annual estimate.

Many health effects have not been considered in arriving at the cost figures given. For example, relatively low levels of carbon monoxide can affect the nervous system sufficiently to reduce work efficiency and increase accident rates.

Psychological and esthetic effects are also important, and additional costs of air pollution on vegetation, cleanliness and deterioration of materials have not been included in these estimates.

An unanswered but crucial question is how much the public is willing to pay to reduce the cost of illness and deaths from which air pollution is blamed.

**"BAREFOOT IN THE PARK"** cast studies scene for the play which is to be presented at Assumption high school Oct. 16 through 18. Left to right are Dennis Kinsella, as Velasco, Gigi Dowling as the mother, Erie Mills as Corie Bratten, and Tim Schirmer as Paul Bratten. Miss Mills is of Granite City and plays the female lead in the play.

### PTA Chairman To be Conference Speaker

The New Illinois Constitution, the PTA Position, will be the title of a speech by Dr. Lowell M. Johnson, Illinois PTA School Education and Finance chairman, at the annual District 29 Fall PTA Conference, Thursday at Edwardsville junior high school.

Roundtable discussions at the conference will be on legislation, scholarship, councils, membership and leadership training. A new director of District 29 will be elected during the conference.

Dinner is scheduled for 6:15 p.m. Thursday with registration at 7 and the program scheduled for 7:30.

### City Art Museum to Present Film Showing

The ninth of a series of thirteen 50-minute color films narrated and written by the distinguished British art historian, Sir Kenneth Clark, will be presented by City Art Museum, tomorrow at 2:30 p.m. and 8 p.m.

The Pursuit of Happiness is primarily about music; and some of the qualities of 18th century music — its melodious flow, its complex symmetry, its decorative invention — are reflected in the architecture but not the emotion of the time. The Rococo style has a very definite place in civilization for visually it is the pursuit of happiness and the pursuit of love.

### Erie Mills In Lead Role At Assumption High

Erie Mills, daughter of Mr. and Mrs. J. B. Mills, 2104 Cottage avenue, has the female lead in the Neil Simon play "Barefoot in the Park," which will be presented at Assumption high school Oct. 16 thru Oct. 18, at 8 p.m., with a special Sunday matinee at 2 p.m.

Two other Granite City youths, Mike Belz and Ray Stock will be interchanging parts between the character Mr. Munchin and the delivery man. Miss Mills, a senior at GCHS, is making her second appearance in a play at Assumption. This past season she was with the St. Louis Municipal Opera. Miss Mills has also been in several productions presented by the Muscogee theatre group.

"Barefoot in the Park" is a story about two young newlyweds, Corie (played by Erie Mills) and Paul. After six days of marriage they move into a Brownstone apartment and are met by a rather strange "upstairs" neighbor.

The play will be under the direction of Don Boevington, director of theatre at Assumption high school.

### Police Probe Attack

Madison police were still investigating today an attack in which Rocky Gray, 17, of 1911 Sken street, was cut in the left hand with a knife in the 200 block of Madison avenue, Madison, last week. Gray received three sutures for the one-inch cut at St. Elizabeth Hospital.

### Auto Windows Broken

James Butts, 2232 East 24th street, reported at 2:35 p.m. Thursday that someone broke the windshield and rear window of his 1969 auto.

### Pink Ladies Honored at Annual Awards Dinner

Forty-nine local women whose accumulated voluntary service to St. Elizabeth Hospital exceeds 46,000 hours were honored last week when the St. Elizabeth Hospital Ladies Auxiliary hosted its annual "Pink Ladies" Awards Dinner.

Seven of those receiving awards compiled a total of 21,500 hours of volunteer service. They were Ida Murray, 5700 hours; Helen Bergfield, 4000 hours; Ellen Dahmus and Lorraine Thebeau, 2600 hours; Lorraine Thebeau and Mabel Gaston, 2300 hours; and Grace Hennrich, 2000 hours.

Awards and pins were presented by Mrs. Mary Kristian, auxiliary president and Sister Mary Thomas, St. Elizabeth Hospital administrator.

Auxiliary members and guests attending the dinner also heard plans for the second annual "Fractured Folies," a variety benefit show to be presented in support of the local hospital.

### Schedule Show Dates

Mrs. Helen Bergfield and Ted Ellerman, assistant administrator, who are serving as "Folies" co-chairmen, reported the event will be staged Nov. 6 and 7 in the auditorium of Granite City high school.

Other volunteers honored at the awards dinner, included: 1800 hours—Rinda Brown and Vera Carey; 1400 hours—B-e-a Rittenhouse and Adele Rakoczy; 1300—Catherine Parker, Edna Wyatt, Marie Zimmer and Betty Ferguson.

1000 hours—Marian Rose Lambert, Gertrude Rill and Mary Kristian; 900 hours—Ophelia Dorch and Irene Pearson; 800 hours—Mary Babb, Esther Baumberger and Clara Schilling; 700 hours—Lillie Nonn and Catherine Piesl; 600 hours—Theresa Schuler; 500 hours—Dorothy Beck, Brenda Loebbel and Alice Nonn; 400 hours—Irene Ebersold; 300 hours—Helen Miller and Na-

### \$50,000 Suit Filed Over Auto Accident

A suit for \$50,000 has been filed for Ray Mercer, father of Mark Mercer, a minor, against Mayne L. Waggoner in Madison county circuit court at Edwardsville.

The complaint alleges that the boy, seven, was injured while he was riding in the Waggoner auto which was in a traffic accident last June 19 on Route 3 a mile north of Evansville, Ill.

### Sen. Smith Authors Bar Journal Article

Sen. Ralph Tyler Smith, who also is an attorney in Madison County, has written an article published in the September issue of the Illinois Bar Journal. The Bar Journal is published monthly by the State Bar Association and contains articles of special interest to Illinois lawyers.

The article entitled "The Lawyer as International Negotiator," is concerned with function of a lawyer negotiator of international disputes. A lawyer acts every day as a negotiator in settling conflict between parties. The article points out that the same skills could be used in economics, legal and even military areas of conflict between nations.

## Smith Cites Waste of Funds When Campuses Are Closed

U. S. Senator Ralph T. Smith of Alton, native Granite Cityan named to the Senate following the death of Senator Everett M. Dirksen, continued to stress college stability in campaign talks here and at other points in Illinois last week.

He noted that "millions of young people returned to campuses across the U. S. this fall and the majority of them, and their parents, are frankly concerned over their physical safety and the safety of the investment they are making in an education."

"Last spring we saw the most widespread college closings in an ever-increasing level of campus unrest. A small minority of students succeeded in preventing the vast majority from receiving the instruction and use of educational facilities for which they had paid their hard-earned money."

"Sixteen students at Washington's George Washington University have filed a suit for \$1 million in refunds to more than 14,000 who were denied the opportunity to attend classes when the university closed last May."

"Basis for the suit is the claim of the students, and parents of those students under 21, that the university failed to fulfill its contractual obligations when it cancelled classes during the 'student strike'."

"If this suit is successful in establishing a breach of contract, the route will be clear

whereby students and their parents can exert strong pressure on college administrators to maintain order on the campuses. It has been estimated that recovery of tuition for all classes which were canceled last spring could cost the nation's universities more than \$20 million."

"In filing their suit, the students declared they 'can neither academically nor financially afford to be subjected to arbitrary and unreasonable suspensions of the educational process.'"

"This suit will not be decided in the near future, but some results are already apparent. George Washington University administrators promptly issued stringent guidelines on future suspensions of classes to all faculty members."

"So far, rising violence, injuries, insurance rates and public indignation have failed to force college administrators to maintain order on their campuses. It is beginning to appear that 16 students representing the majority of their colleagues may have found the answer. They are seeking redress of their grievance and the protection of their rights in the courts."

"Their actions confirm what I have learned in Illinois: The vast majority of students are in college for an education and resent the minority who are permitted to deprive them of it."

MARRIED. Mr. and Mrs. Dennis Weid, whose wedding took place at Third Baptist Church here.

### Jan Pickens Married To Dennis G. Weid

Miss Jan Pickens, a daughter of Mr. and Mrs. Clell Pickens of Venice, and Dennis G. Weid, son of Mr. and Mrs. Eugene Weid of Overland, Mo., were married Sept. 5 at Third Baptist Church in Granite City. Rev. Carl Watkins officiated at the evening ceremony in a setting of candlelight and arrangements of summer flowers on the altar. Candles lighted the aisle through which the procession passed and bows were used to mark the pews. The bridegroom's nephew, Nancy Weid, a sister of the bridegroom, and Michael Foley, the bridegroom's nephew, David Richardson sang

"More;" and "You'll Never Walk Alone."

The bride was escorted by her father. She wore a gown of white silk, pearls de suite. The rounded neckline was accented with Alencon lace, pearls and sequins, and the full sleeves of imported silk organza was also trimmed with appliques of beaded lace. A Watteau cathedral train was attached at the shoulders with white peat bows, and a flowing veil of silk illusion was bordered with Alencon lace. Medallions of lace were scattered throughout the veil which was secured with a headpiece of silk peat. Ivy and white orchids made up the bride's cascade bouquet.

Mrs. Doris Foley, a sister of the bride, and Miss Ginger Hill, were honor attendants and Miss Suzanne Pyatt, Miss Niece Koelker, and Miss Barbara Kutz served as bridesmaids. They wore lime green chiffon gowns with full bishop sleeves and gathered skirts.

The brides were made with mock boleros of white Venice lace and the wide cuffed sleeves were adorned with lace motifs. Their floor-length veils were of green and they carried large pink mums and pom poms in white baskets.

The flower girl, Elizabeth Foley, the bride's niece, wore a long lime green chiffon dress accented with a white silk cummerbund and carried pink pom poms in a small white basket.

The bridegroom's attendants were Thomas Foley, a brother-in-law, David Gibson, Rodney Rogers, Randy Hassell and Mike Barry. Allen Stoize and Greg Aylward served as ushers. A soft pink chiffon dress was worn by the bride's mother, with matching accessories, while the bridegroom's mother chose a lavender knit ensemble. Her accessories also matched the dress. Both mothers wore lavender orchid corsages.

AUTUMN BRIDE. Mrs. Gregory D. Patton, whose wedding took place Saturday at Zion Lutheran Church in Belleville. She is the former Janis Pick.

### Janis Pick Married Gregory D. Patton

Zion Lutheran Church in Belleville was the scene of the wedding Saturday evening of Miss Janis Jacquelyn Pick, a daughter of Mr. and Mrs. Kenneth W. Pick, of Belleville, and Gregory Daniel Patton, son of Mr. and Mrs. P. A. Patton, 2809 Cayuga street, Granite City.

The service was read at 7 o'clock by the Rev. Herman Neunaber in a candlelight setting.

Wedding music was furnished by Roy Guthrie, vocalist, and the church organist. The bride wore a gown of ivory silk organza over satin. It was styled with an A-line skirt, and lace trim on the neck and front. Her veil was full length and she carried an arm bouquet of white gladioli, mums, and roses.

Miss Pamela Pick, a sister of the bride, maid of honor, and Miss Paula Patton, the bridegroom's sister, Mrs. Terri Francis and Miss Sally Green, the bridesmaids, were dressed alike in crepe gowns with green skirts and ivory blouses with pleated sleeves. Their flowers were bronze mums, yellow roses and wheat. George Little of LaHarpe, Ill., was best man, and Mike Forcade of Cincinnati, O., James Dunn of Granite City, Charles Henry, Battle Creek, Mich., Tom Monsehn, Stanton, Ill., and Jerry McKeehan of Granite City, made up the corps of groomsmen and ushers.

Following the ceremony a reception was held at the Elk's Lodge.

The bride, a graduate of the Vonje high school, is presently a junior at Fortbonne College in St. Louis where she is a home economics major specializing in textiles. Mr. Patton, an IBM employee, graduated from Southwest Missouri State College in Springfield.

The bridegroom's parents gave the rehearsal dinner prior to the wedding.

The bride's mother wore a light green suit, and Mrs. Patton, the bridegroom's mother, chose a champagne beige suit. The wedding reception was held directly after the church service in the Catholic Knights and Ladies of Illinois Hall in Belleville. The newlyweds will be at home after Oct. 5 at 1810 August street, Apt. 5.

The former Miss Pick attended Belleville Township high school where she was a cheerleader. She also attended Illinois State University in Normal and is presently a senior at SIU-SW, majoring in English Education.

Mr. Patton graduated from the Granite City schools and Illinois State University in Normal. He is now teaching health education at the local high school.

### SPECIAL ED PARENTS GROUP TO MEET

The Parents Committee for Special Education will meet at 7 p.m. Thursday at Central Christian Church, 2020 Johnson road.

Dr. Allan G. Barclay, coordinator of psychology and professor of the program in development psychology at St. Louis University, will discuss some of the problems of children in special education.

Dr. Barclay is the chief psychologist at the Mental Retardation Evaluation Clinic in the Cardinal Glennon Memorial Hospital and has served as associate director of the Child Development Clinic of the hospital since 1967. MRS. EDWARD C. JOHNSIEE, a bride of Saturday. Before her wedding at St. Mark's Catholic Church in Venice she was Karen Sue Devany.

### Karen Sue Devany Weds Edward C. Johnissee

The wedding of Miss Karen Sue Devany, a daughter of Mr. and Mrs. Henry T. Devany, 525 Jefferson avenue, Venice, and Edward C. Johnissee, 1302 Oriole street, took place Saturday morning at St. Mark Catholic Church in Venice with Rev. Terry Shea officiating at the 11:30 Nuptial Mass.

Candles lighted the altar, adorned with arrangements of white flowers and in hurricane lamps entwined with smilax. The bride wore a white-crepe dress with lace trim and a corsage of white Sweetheart roses, while the bridegroom's mother selected a costume of yellow crepe and imported lace and a corsage of yellow Sweetheart roses.

Miss Linda Davinroy presided at the organ and accompanied the vocalist, Larry Whitsell, in a program of appropriate songs. The servers were Mike Whaley and Mike Bilbrey, cousins of the bride and groom. A gown of white imported chiffon was worn by the bride. It was designed with a high waist and a high cuffed neckline trimmed with motifs of Alencon lace etched with pearls. The lace motifs were repeated on the bodice and the long full sleeves, and a full sweep train was attached at the waist with a soft jeweled bow. A veil of Camello headpiece of lace and pearls and the bride carried a cascade of gardenias centered with a corsage of white Sweetheart roses.

Miss Catherine Miller was maid of honor and the list of bridesmaids included Miss Linda Devany, a sister of the bride, Mrs. Connie Ray, the bridegroom's sister, Miss Rosemary Daniels, and Miss Rosemary Bilbrey, the bride's cousin.

The attendants were dressed alike in ruby velvet gowns with gold braid trimming the necks. Long full sleeves were tightly cuffed at the wrists and gold

braids encircled the waists. Matching velvet Camello hats and shoes also trimmed with gold braids, holding in place short circular nose veils. All carried cascade bouquets of pink Fuji mums.

Barbie Jean Graham, the bride's cousin, and Mark Devany, a brother, served as flower girl and ring bearer. The former, dressed like the older girls, carried a basket of pink pom poms and rose petals.

For her daughter's wedding Mrs. Devany wore an aqua crepe dress with lace trim and a corsage of white Sweetheart roses, while the bridegroom's mother selected a costume of yellow crepe and imported lace and a corsage of yellow Sweetheart roses.

Frank Scaturro was best man for Mr. Johnissee, and Joseph Ponce, James Shamro, Joseph Mangiaracino, Paul Svezia, Dick Kismet, and Roger Almos made up the list of groomsmen and ushers. A brunch was held at the bride's home after the ceremony and the evening reception took place at the VFW Hall in Granite City. The bride's cousin, Miss Vicki Grammolder, was in charge of the guest book.

The former Miss Devany, a 1969 graduate of the Venice high school, has been employed as a legal secretary in the office of Attorney Harry E. Hartman and also is attending classes at the Belleville Area College. Mr. Johnissee, who is also attending evening classes at Belleville College, graduated from the Venice schools and is employed by TWA in St. Louis. After Bilbrey, the bride's cousin, Hawaiian Islands the couple will reside in Granite City. The rehearsal dinner was given Friday evening by the bridegroom's parents at the Rose Bowl.

# D. of I. PLANS FORMAL INSTALLATION CEREMONY

The October meeting of Our Lady of Fatima Circle 835, Daughters of Isabella, was held Thursday evening at the KC Hall with 44 members present.

Miss Dorothy Hodebeck, regent, presided, and a new member, Mrs. Rosina Mangiaracino, was initiated. Plans were made for the formal installation of the new officers to be held Nov. 1 at St. Peter & Paul Church, Collinsville. This will be a group installation of officers of six circles of the Springfield Diocese, in this area.

The local officers are Miss Hodebeck, regent; Mrs. Clara Schilling, past regent; Mrs. Vera Carey, vice-regent; Mrs. Grace Rango, treasurer; Mrs. M. A. Gieselmair, financial secretary; Mrs. Helen Oberlin, scribe; Mrs. Helen Delwitz, chancellor; Mrs. Virginia Sever, custodian; Burdell Goeller, first guide; Ann Pare, second guide; Veronica Patrick, monitor; Dorothy Beck, banner bearer; Marionrose Lambert, inner guard; Fran Gruber, outer guard; Peggy Crnkovich, first trustee; Millie Nagel, second trustee; and Pauline Meszaros, third trustee.

Plans were completed at the meeting for the annual Christmas party Dec. 2 at the Round Table restaurant in Collinsville. The birthdays of three of the members, Elizabeth Mehlich, Dell Miller and Margaret Richardson were celebrated and after the meeting refreshments were served and prizes were awarded.

**MR. AND MRS. NORMAN P. RICHTER**, whose wedding was Saturday at St. John United Church of Christ. The bride is the former Miss Brenda Joyce Schieb.

## Brenda Joyce Schieb, Norman Richter Wed

The marriage of Miss Brenda Joyce Schieb and Norman Paul Richter was solemnized Saturday evening at St. John United Church of Christ, 2801 Namoki road, The Rev. Paul Surbey officiated at the seven o'clock candlelight ceremony.

The bride is a daughter of Mr. and Mrs. James Schieb, 4028 Mueller avenue. Mr. Richter's parents are Mr. and Mrs. Gilbert Richter, 2201 Miracle avenue.

The couple repeated their wedding vows before an altar decorated with autumn blossoms and greenery.

Miss Karen Sue Schieb was maid of honor, with Mrs. Marie Kostof as bridesmaid. Both attendants are sisters of the bride.

Mr. Richter chose as best man, his brother, Gilbert Richter, with Mike Geske, a brother-in-law of the bridegroom, as groomsmen. Roy Morelan and Steve Cuvor headed the corps of ushers.

The bride selected a full-length gown of white organza, designed in the A-line style with an Empire bodice and puffed sleeves. A chapel-length veil of bridal illusion was veiled with delicate pearls and she carried a bouquet of white gladioli, intermingled with lilies of the valley.

The attendants were dressed alike in sleeveless gowns of white Chantille over pale blue satin, fashioned with the Empire bodice. Their flowers were bouquets of peach-shaded gladioli and lilies of the valley.

A reception for family and friends was held in the Fellowship Hall of the church, immediately following the ceremony.

## Secretaries Hear Lions Speakers, Become Eye Donors

After viewing the film, "Eyes that Live Again" and hearing talks by Robert Rogers, president of the Madison Lions Club, and Robert Schwab, of the Edwardsville Lions club, nine of the 18 members attending the Tri-Cities Chapter of the International Association of Secretaries Association, International Thursday night signed legal forms to become eye donors.

Schwab told the secretaries of the great number of blind people who are on a waiting list until corneas from the eyes of newly deceased donors are available. He said anyone who wished to participate in the program may contact any member of the Lions Club and a form would be mailed.

"We are the largest service club organization in the world," Schwab said. "There are almost 1,000,000 Lions throughout the Free World; this covers 146 countries and about 25,000 clubs." The message which the Lions try to spread is that everybody may help in the program to prevent blindness through one way or another.

One major way is by helping to spread the word about the different needs of the 14,000,000 blind people in the world today, and how individuals can help. "Man's conquest of blindness is a never-ending project," he said.

**Support Dog School**  
The Lions Club supports a Leader Dog School in Michigan. Blind people are sent there so they can learn to use a dog to guide them. Prospective leader dogs are sent to school there to see if they will be suitable dogs for this purpose. Another way the public can help is by donating dogs for this program, Schwab said.

The Lions also collect used

**AID TO BLIND** was topic of talks by Robert Rogers, past president of the Madison Lions Club, left, and Robert Schwab of the Edwardsville Lions Club, before a meeting of the Tri-Cities Chapter of the National Secretaries Association. As a result, eight members of the association signed forms as eye donors. Shown with speakers are Mrs. Cleo Buttry and Mrs. Marabeth O'Connell, members of the secretaries association.

eyes, glasses, frames and lenses. These articles are sent to poverty-stricken areas in other countries for the use of the people who need glasses but cannot afford them. Schwab reassured the group that individuals who have had vision are better off with a pair of glasses which can help them in any degree than with no glasses at all. There is a constant demand for used eye glasses. Anyone with eye glasses they are willing to donate may contact Rogers in Madison or Schwab at Modern Living Radi-Heat Company in Edwardsville, or any member of the Lions Club. The glasses will be picked up promptly from the donors.

One of their most well-known programs is the Eye Bank one of which is located at Washington University. Anyone may donate their eyes, regardless of the condition of the eyes. Any eye is accepted from any person. "You don't know how happy it made me feel," Schwab said, "when the corneas from the eyes of my mother, who died in 1965, were given to a blind mother of five children, with a deceased husband, and she was able to see again."

To find out personally how it feels to be in total darkness, at one of the meetings of the Lions Club in Edwardsville, every member blindfolded himself and ate the complete meal in this fashion. This served the purpose of providing to the members how valuable good eyes are.

The Lions also send blind children to recreational camps. They have only one requirement, that the child attend a meeting of the Lions Club and tell of his experience at camp. This first-hand account from a blind child instills even more enthusiasm in the members.

**Work With Schools**  
The Lions Club is active in working with the school system. If there is a child who cannot afford glasses or an eye examination, the Lions Club is

given the name of the child and secures permission to send the child to an eye doctor. In Edwardsville, the average about two children per month, and through the years have helped many children.

Individuals can help by donating money which can be used to purchase various items for the blind, including white canes, braille, and Braille checkerboards.

The public needs to be educated to learn what they can do to prevent eye disease, injury and blindness, the speakers said. The Lions have Glaucoma units where they test eyes for glaucoma, one of the leading causes of blindness. Of 300 people recently tested, 12 were suspected to have glaucoma. After advising the suspects, the Lions follow this up to find out if they have visited their doctor.

Eyes tend to start failing at approximately age 38, and this is the most critical age where glaucoma may start. This is the time of life that an individual's eyes tend to change as far as vision is concerned, they said.

At the conclusion of the talk, eye donor cards were distributed to the members and half of them signed immediately. Evidence of the members' willingness to help spread the word was shown Friday morning when two members met at the beauty shop before work and were so enthusiastic about the program that their beautician asked them to see that she got a form to sign so she could be a donor also.

**Hold Business Meeting**  
President Bernice DeRousse presided at the business meeting which followed, and Miss Twila Edmonds, chairman of the Membership Committee, announced that each member should bring guests to future meetings. November through April, with a cash prize going to the member who brings the most guests. In addition, each month will be dedicated in honor of a certain industry, and letters will be written to personnel directors of companies involved in this industry, asking that they advise their secretaries of the next NSA meeting and urging that they attend.

The vice-president of the Illinois Division, Miss Shirley Becham, will attend the monthly meeting Nov. 5. A program on Women's Liberation will be presented. Mrs. Helen Giesseman and Mrs. Marabeth McConnell are co-hostesses for that meeting and reservations may be made by contacting either of them or any NSA member of the Tri-Cities Chapter.

Mrs. Charlie Vunovic, chairman of the CPS and Education Committee, advised that the Tri-Cities Chapter would participate in the Chapter Professional Development Content this year, a program evaluating the educational values of

## Edwin N. Barton, 59, Dies; Madison Teacher

Edwin N. Barton, 59, a Madison high school teacher for 23 years, died of a lung ailment at 5:45 a.m. Friday at Belleville Memorial Hospital, where he had been a patient three weeks. Mr. Barton, who resided at 1806 North 38th street, East St. Louis, held the rank of colonel in the U. S. Air Force Reserve. He entered the Reserve in June 1946, after serving four years in action with the U. S. Army Air Corps.

He received a Bachelor of Education degree from Southern Illinois University in Carbondale and was commissioned an Army Air Corps officer in July 1942.

When he assumed Reserve status in 1946, Mr. Barton joined the English department at Washington University, St. Louis. He also was connected with the school's ROTC program.

Mr. Barton was born in Murphysboro, Ill. He taught in the Dupo school system before joining the Madison high school faculty. He was a member of Holy Angels Catholic Church of East St. Louis.

He is survived by his wife, Mrs. Gertrude Barton, a teacher at Washington school, East St. Louis; one daughter, Mrs. Gerald (Pamela) Engle of East St. Louis; a sister, Mrs. Pearl Briggs of Murphysboro; and a sister-in-law, Mrs. Helen Bjorkman of Granite City.

Funeral services were held today in Belleville, with interment at St. Andrew's Cemetery, Murphysboro.

## Man Held to Grand Jury, Gary Nims, 21, of St. Louis

Charged with theft of more than \$150, waived preliminary hearing before Magistrate Joseph Kolleher Thursday afternoon and was held at the Madison county jail in lieu of \$3500 bond pending grand jury action.

Facing the same charge, Charles Polach, 27, of 1321 Washington avenue, Madison appeared without entering a plea and was released on \$3500 recognizance bond pending a hearing. The two were arrested early Thursday on a charge of stealing auto tires, wheels and a battery.

## Musical Set Oct. 23-24

## Children's Theatre to Present 'Tom Sawyer'

The Starfinders Children's Theatre group, sponsored by Frohardt Parents' Teacher Association, will present its first musical production — "Tom Sawyer" — on Friday and Saturday evenings, Oct. 23-24, in the auditorium of Nameoeki school. The public is invited to attend the eight o'clock performance.

Richard Peltz is directing the musical, with Betty Dart serving as choreographer. Scenery and other art work connected with the show is being created under the supervision of Mrs. Sandra Schoeber.

The cast has been selected and rehearsals are well under way. Peltz said today. Principal roles will be filled by Bob Crain, who will portray Tom Sawyer, and Tom Wilkins in the role of Huck Finn.

**Cast Announced**  
Other youngsters in the Starfinders production, include:

Don Dotzauer as "Joe"; Tom Roberts, "Sid"; Louie Spahr, "Jim"; Larry Libby, "Ben"; Rick Heath, "Frescher"; Jo Ellen Borchers, "Alfred"; Cheryl Hopper, "Gracie"; Gretchen Koedinger, "Becky"; Carol Jesse, "Sheriff"; Janet Moss, "Amy"; Nancy Milton, "Tina"; Joe.

Annette Tarloff, "Muff"; Loraine Reinhardt, "Doctor"; Debbie Herman, "Susan"; Irene Kunnenman, "Aunt Polly"; Carol Hopper, "Mrs. Harper"; Betty Dart, "School Marms"; and Janie Donna Snedecor, "Janie".

Scheduled to appear in the dancing chorus are Pam Tesler, Kathleen Coquitt, Irene Snedecor, Dorcas Snedecor, Denise Spahr, Linda Lowell, LaDonna Lowell, Alea Kovach, Lynn Wilson, Bonnie Luebbert, Karen Carver, Nancy Kinder, Sherree Forsoun and Michell Smith.

Tickets for the "Tom Sawyer" production may be obtained from members of the Starfinders Children's Theatre group, or purchased at the door immediately before show time, Peltz explained.

A single admission ticket will cost 40 cents, or an entire family may attend the musical for a charge of \$1.25, the director explained.

## Auto Rolls Backward; Strikes Second Vehicle

Children left in the front seat of an auto owned by David Cateson, 2117 Cleveland blvd., while the vehicle was parked on a slight incline in the A & P Grocery store parking lot at 20th street and Madison avenue, apparently knocked the gear shift, causing the auto to roll backward and strike another vehicle, police reported at 2:47 p.m. Friday.

The Cateson car struck another parked vehicle, owned by Hershel Becker of Belleville.

## Parked Car Damaged

The rear of an auto owned by Ira Reed, 1225 Calhoun street, was damaged at 8:20 p.m. Friday when it was struck by the car of Willie J. Fields, St. Louis. Police said Fields struck the parked Reed car as he was pulling out of a parking space. Fields was charged with driving without a driver's license and driving without state plates.

## Environmental Study Manual Now Available

A new teaching manual, developed to assist classroom teachers in the field of environmental studies, is now available to local teachers through the Granite City Education Association. It was announced today.

Entitled, "Man and His Environment: An Introduction to Using Environmental Study Areas," the manual is the result of a cooperative project to provide both a comprehensive and far-reaching environmental education program.

In announcing the project last month, Helen Bain, president of the National Education Association and Secretary of the Interior, Walter J. Hickel, noted the Interior Department through its National Park Service, possesses extensive knowledge of nature and environment, but does not have the facilities or personnel to teach this knowledge to the general public.

**Equipped to Teach**  
On the other hand, Mrs. Bain said, members of the teaching profession are equipped to teach but, in most cases, lack a knowledge of the environmental field.

By joining forces, the Interior Department and the NEA, through the Association of Classroom Teachers, have developed the teaching manual, the NEA official advised.

Copies of the publication now are available to the teaching staff of local schools, with copies to be placed in each elementary school, junior high and senior high schools.

Miss Marguerite Baker, president of the Granite City Education Association, said today any teacher wishing to obtain a copy of the environmental manual for his personal library may purchase the booklet through the representative in the teacher's individual school building.

"Faculty members may secure the manual at a special discount price of \$1.40," Miss Baker said.

## A. O. Smith Sees Earnings Drop

Net earnings of the A. O. Smith Corp. for the third quarter are expected to be down by more than half of the amount for the same period last year, according to L. B. Smith, chairman and chief executive officer.

Smith, attending a meeting Thursday of security analysts in St. Louis, estimated quarterly earnings at between 45 and 50 cents a share, compared with \$1.06 last year.

For the first nine months, Smith said earnings will be between \$3.23 and \$3.28 a share, compared with \$4.07 last year.

He blamed the drop on the General Motors strike which has closed Smith's Granite City Plant.

Company sales for the third quarter and first nine months are expected to be higher than last year, Smith said. Third quarter sales will be about \$100 million, compared with \$79 million last year, while nine-month sales will be about \$285 million, compared with \$260 million last year.

## Larry Leonard, 59, Dies in Hospital

Larry Leonard, 59, of 2810 Warren avenue, died at 6:30 a.m. Friday at St. Elizabeth Hospital after suffering an attack of emphysema at home. He had been ill for more than 10 years.

Born in Eldins, Mo., he resided here 35 years. He retired six years ago from Granite City Steel Co., where he worked as a heater.

He is survived by three brothers, Ray Leonard of East Alton, Glenn Leonard of Woodside, Calif., and Olen Leonard of Brighton, and his mother, Mrs. Bertha Leonard of Granite City. Funeral arrangements are given in today's obituary column.

## Struck From Rear

While backed for a traffic light at 27th street and Madison avenue, at 6 p.m. Friday, an auto operated by James Padovano, 39, of 3250 Forest avenue, was struck from the rear by another vehicle, driven by Charles Jolly, 33, of 2596 East 27th street. Both cars were headed north when the collision took place.

**RULES AND REGULATIONS** are explained to new Granite City Patrolmen by Sgt. Harry Mitchell at left, Officers Roy Koberna and Donald R. Knight assumed duties on the Granite City department after appointment by the Board of Police and Fire Commissioners.

## Blanche Hull, 57, Dies In Cape Girardeau

Funeral services for Mrs. Blanche Hull, 57, formerly of 331 Chouteau avenue, Mitchell, were held Saturday in Granite City.

Mrs. Hull was a lifetime resident of Mitchell. She died at 8 a.m. Thursday at Southeast Missouri Hospital, Cape Girardeau, Mo.

She is survived by her husband, William Hull; two daughters, Mrs. Grace Hastine of Granite City and Mrs. William Corzine of Louisville, Ky.; four sons, William, Charles and David Hull of Granite City; and Ruben Hull of Thebes; her parents, Mr. and Mrs. Albert Hull and 19 grandchildren.

Funeral arrangements are given in today's obituary column.

**Auto Struck in Rear**  
While stopped for a traffic signal, the rear of an auto driven by Lester Yates Jr., 415 Madison avenue, was struck by a car driven by Noel Robin, 31, of 1035 p.m. Thursday at Niedringhaus and Madison avenues.

## GC Woman Draws Horse In Irish Sweepstakes

The hectic lunch-time atmosphere at a local restaurant was more charged than usual Thursday when an employee arrived on the job to announce her Irish Sweepstakes ticket has been matched with a horse running in this weekend's Irish Derby.

Mrs. Robert (Ellen) Kneekstedt, 231 State street, was notified by telegram that her Sweepstakes ticket had been paired with "Brookway," a Derby entry. She received the wire a short time before reporting for work at Roderick's Restaurant, 2723 East 24th street, where she is employed as an assistant cook and waitress.

Connected during the luncheon period, Mrs. Kneekstedt said she was "very excited" and anxiously awaiting the race results. The winning ticket, owned jointly with her husband, is the

second Irish Sweepstakes ticket ever purchased by the couple. Because her ticket was assigned a horse, Mrs. Kneekstedt will receive a minimum of 416 pounds (about \$1000) and is eligible for a major prize should "Brookway" place first, second or third in the race, she was informed.

## Two New Patrolmen Join Police Force

Two new patrolmen have assumed duties with the Granite City police department on probationary status following appointment by the Board of Police and Fire Commissioners and confirmation of the appointments by the city council.

The new officers, Donald R. Knight and Roy Koberna, were named from among eligible applicants to fill vacancies created by the resignation of John Paterson and Elwyn Dickey.

Knight, 31, of 2340 Delta avenue, has lived here 13 years. He and his wife, Jane, have four children, Rick, 12; Tammy, 10; Craig, 8; and Robin, 5. A four year Navy veteran, he has worked nine years for Granite City Steel Co.

Roy Koberna, 26, of 4037 Sara street, has been a resident of Granite City five years. He and his wife, Diane, have one son, Scott, 3. Koberna served six years with the Army National Guard. Prior to joining the police department he worked for three and a half years for Nash Engineering Co. as a service representative.

**Wallet Lost or Stolen**  
Joseph Polach, 4131 Alton road, reported at 4:10 p.m. Thursday that his wallet was lost or stolen while he was at work at Granite City Steel Co. It contained \$73, his driver's, fishing and hunting licenses, boat registration and other papers.

*"Wow! That's some groovy, stupid middle-class value!"*

## That's some groovy, affordable new price, too. Challenger.

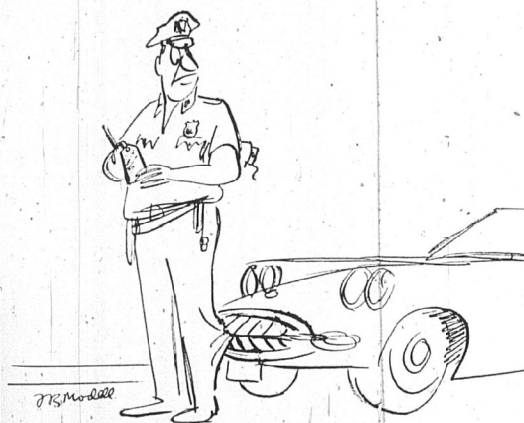

Almost anybody can save you money on a car you don't want—now Dodge sets out to save you money on one you do. Challenger. Any kid can spot one a hundred yards away. The clean shape is a dead giveaway. Challenger. It's actually comfortable inside . . . and the back seat is more than a conversation piece. Challenger. The one that gives you the wide stance and those nice extras like

torsion-bar suspension and unitized construction. Challenger. Only now it's not a car . . . it's a whole line of cars. One of them is called a Coupe. It has a thrifty Six that runs on regular, cleanly styled vinyl bucket seats, carpets, floor-mounted shift lever, and a price sticker that will have you doing more than just dreaming.

## Dodge's new Demon brings out the devil in you.

Here comes Dodge's all-new spunky little saver that will really turn you on. It works like a demon . . . plays like a demon . . . and is devilish fun to drive. It's five-people big on the inside. Yet it's compact enough to tool around town and park in just about any parking place you can get into with any other car. And

Demon works magic, too, the way both its Six and standard V8 make the miles disappear on regular gas . . . the way it surrounds you with comfort. So, if you'd like to add a little spice to your life, drop down to your nearby Dodge Dealer's and ask to take a Demon-stration drive. New Dodge Demon for 1971. That's the spirit.

Raised white letter tires, road wheels, and vinyl roof shown above, optional at extra cost.

# Like this or a car like this before. Charger.

Charger, with or without bucket seats. Family-sized room, standard. Charger, the one-of-a-kind personal car that's just been priced where you personally want it. The shape is back, and looking better than ever. With ventless glass, concealed wipers, tor-

sion-bar suspension, full instrumentation, and six great models to choose from. 1971 Dodge Charger. A great personal car, a great family car, a great economy car. Just what did you have in mind?

## You've never seen a shape like 1971 Ch

Reach for your title, mister. Dodge has priced Charger right down with intermediate two-door hardtops. No kidding. For about the same price as those plain old everyday two-door intermediates everybody's running around in, a new 1971 Charger. The once-

in-a-lifetime shape . . . now at everyday prices. That's it above. Who'd ever think a money saver would look like that? Charger, now on a taut new wheelbase with the big choice in engines, accessories, interiors. Charger, with or without hidden headlights.

*"No buckets, no sticks, no wire wheels."*

## For people who put quiet, comfort, and quality first. The Dodge Polara.

Polara people come from many walks of life. But they have one thing in common. The desire for peace and quiet, with a touch of luxury to go along with it. They look for it in the car they drive. And the Dodge Polara for 1971 comes through. Luxury-car roominess and comfort. Torsion-Quiet Ride that reduces road and engine noise in the passenger compartment by means of strategically

placed rubber isolators and a front "stub frame" that insulates against noise. Distinctive styling without being ostentatious. And what never ceases to amaze these Polara people is the modest price. Polara competes with the traditional low-priced field. If Polara people sound as if they're your kind of people, join 'em.

*"Hold it, sir! That's only the suggested price!"*

## Even the suggested price on Dart is easy to take. America's best-selling compact hardtop.

Imagine the nerve of Dart. Setting new sales records every year on the same old proposition. What's that? Just this. A little more room. A little more style. And a price that means you can move up to a hardtop and still save money. If that's not enough reason for giving one a try, here are a few added attractions for 1971. A deluxe interior with full carpeting, a touch of simulated wood-grained

trim on dash and door panels. Not bad for an economy car that has one of the highest resale values in the business. You have a nice choice of Six and V8 engines to choose from and accessories that include power brakes, power steering and air conditioning. Before you settle for something less, make sure it doesn't cost you more. Try a Dart . . . America's best-selling compact hardtop.

## Coronet Station Wagon.

The mid-size wagon with all the luxury features of big wagons. For less money.

The Coronet wagon has a subtle new allure. It doesn't look like, handle like, or cost like the average wagon. Inside, it looks and feels like a fine car.

Yet, nestled on that maneuverable 118-inch wheelbase is room for a four-by-eight-foot sheet of plywood in back. On three-seat wagons, a special new electronic safety

device for the rear tailgate automatically keeps the kids in without locking them in.

What a great solution for a man who wants a wagon on weekends and just a great-looking car the rest of the week. What a great solution for the man who wants full-sized carrying capacity and a new low price. What a great solution.

Tailgate swings down...

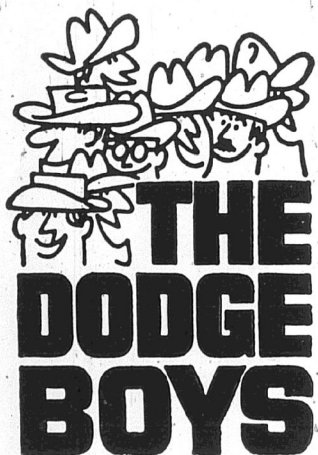

or swings open even with window up.

Optional rear-window cleaning vane.
